The foregoing officers were sworn to the faithful performance of their duties.

The necessary ballots prepared for each Precinct and the paraphernalia for the proper conduct of the Election were supplied by the Town Clerk and turned over to the Wardens of the various Precincts.

The polls were declared open in each Precinct at seven o'clock A. M. and remained open until seven o'clock P. M., at which time, after due notice, they were declared closed.

Immediately after the closing of the polls, the Town Clerk turned over to the Wardens of Precincts 1-2-3-4-5-6 the envelopes received by her purporting to contain Absent Voter Ballots together with the applications therefor filed by said voters for registration as Absent Voters.

The Wardens caused all of the fifty-two (52) envelopes containing Absent Voter Ballots to be opened and signatures, affidavits, postmarks, etc., to be examined in accordance with Section 95, Chapter 54 of the General Laws, and any amendments there may be thereto, and forty-nine (49) were found to be correct. The names of the forty-nine (49) Absent Voters were checked on the voting list in the proper precincts and then the forty-nine (49) Absent Voter Ballots were deposited in the proper Ballot Boxes.

The number of Absent Voter Ballots cast in each Precinct were as follows:

Precinct	1	2	3	4	5	6	Total
Absent Voter Ballots	4	12	12	9	5	7	49

The Ballots were counted by the Election Officers in each Precinct, the tally sheets and total vote sheets prepared by the Town Clerk being used, and the results of the same declared in the respective Precincts.

The Ballots cast, after being counted, were enclosed in envelopes, sealed and encased in cases which were strapped up and sealed with the Precinct Seal, and the same delivered to the Registrars of Voters in the Town Clerk's Office.

The Ballots not cast were encased in cases which were strapped up and sealed with the Precinct Seal, and the same were delivered to the Registrars of Voters in the Town Clerk's Office.

The Town Clerk and Registrars of Voters, upon receipt of the returns from the several Precincts, forthwith canvassed the same and announced the results at 10.55 o'clock P. M.

ANNUAL REPRESENTATIVE TOWN MEETING

MARCH 12, 1953

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Winchester, Mass., by Charles J. Harrold, Constable of said Town, notices having been sent by mail by the Town Clerk seven days before the day of the meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Winchester, the Town Meeting Members met in the Town Hall in said Town on Thursday, March 12, 1953 at 7.45 o'clock in the evening.

WINCHESTER PUBLIC LIBRARY
WINCHESTER, MASS.

A list of the duly qualified Town Meeting Members was used at the entrance to the meeting place and was in charge of George W. Johnston and Edward C. Cullen, Election Officers. The list contained the names of two hundred twenty-seven (227) Town Meeting Members entitled to vote and participate in Town Meetings in Winchester.

The check list filed with the Town Clerk at the close of the meeting showed that one hundred eighty-seven (187) Town Meeting Members attended the meeting.

The meeting was called to order by Philip P. Wadsworth, Moderator, at 7.55 o'clock P. M.

The Moderator read only the call of the Meeting and the Constable's Return of the Warrant, as copies of the Warrant had been mailed to each of the Town Meeting Members, and as each Article would be read when it came up for consideration. No one requested that the Articles should be read at this time.

ARTICLE 1

To hear and act upon reports of the Town Officers and the Finance Committee.

Voted, That the reports of the Town Boards and Officers, and the report of the Finance Committee, as printed, be received and placed on file.

ARTICLE 2

To raise money by taxation to meet the payment of Town Bonds and notes becoming due in the current financial year.

Voted, That Seventeen Thousand (\$17,000) Dollars be appropriated for the payment of bonds and notes of the Town becoming due in the current financial year.

ARTICLE 3

To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time on anticipation of revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year, and to refund any note or notes issued for a period of less than one year in accordance with Section 17 of Chapter 44 of the General Laws.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money, from time to time in anticipation of the revenue of the financial year beginning January 1, 1953, and to issue a note or notes therefor, payable within one year, and to refund any note or notes issued for a period of less than one year, in accordance with Section 17 of Chapter 44 of the General Laws.

ARTICLE 4

To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time in anticipation of revenue of the financial year beginning January 1, 1954, and to issue a note or notes of the Town therefor.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1954, in anticipation of the revenue of the financial year beginning January 1, 1954, and to issue a note or notes therefor, payable within one year.

Voted, That when we adjourn it be to Monday evening, March 16, 1953, at 7.45 o'clock.

ARTICLE 5

To hear and act on the report of the Personnel Board, provide for its continuance, further study and investigation of all the matters referred to it. Also, to take any action in connection with its recommendations as to wages and salaries, working conditions, new or revised standard rates of salaries, changes, additions or revisions in classifications and definitions. (Personnel Board)

Moved and Seconded, That the present rates paid the hourly paid workers shall be increased by five cents per hour plus any three cent step rate to which they would be entitled on April 1, 1953, and that the step rate for future increases for hourly paid workers be increased from three cents per hour to five cents per hour and that all of these changes be effective as of April 1, 1953.

Moved and Seconded, To amend by changing in the second line the words "five cents per hour" to "ten cents per hour."

Motion to amend was lost.

Voted, That the present rates paid the hourly paid workers shall be increased by five cents per hour plus any three cent step rate to which they would be entitled on April 1, 1953, and that the step rate for future increases for hourly paid workers be increased from three cents per hour to five cents per hour and that all of these changes be effective as of April 1, 1953.

Moved and Seconded, That the Wage and Salary Guide as published in the Finance Committee report of 1950 and as later amended be further amended by making the changes as herein stated:

Section 1. Clerical Employees. That there be an increase of Two (\$2.00) Dollars per week (One Hundred Four (\$104) Dollars per year) in addition to any step rate to which the employee is entitled on the anniversary of his employment. The respective maximum salary ranges shall each be increased by Two (\$2.00) Dollars per week (One Hundred Four (\$104) Dollars per year).

Section 2. Hourly Paid Workers. Under the columns headed Classifications, Hourly Rate Range, Minimum and Maximum the following changes to be made:

Custodian and Assistant Custodian each by Two (\$2.00) Dollars per week (One Hundred Four (\$104) Dollars per year.)

All of the above changes to be effective as of April 1, 1953.

Moved and Seconded, To amend by striking out in Section 4 — Building Maintenance Employees, in connection with the maximum salary of the Supervisor of School Buildings and Grounds Thirty-five Hundred (\$3500) Dollars and insert in place thereof Three Thousand Four Hundred (\$3400) Dollars, and strike out section referring to Water and Sewer Department Superintendent.

Motion to amend was lost.

Voted, To amend Section 1 by adding a new paragraph as follows:

D. The clerical staff of the School Department shall consist of a Secretary to the Superintendent, a senior clerk and a junior clerk.

Voted, That further consideration under Article 5 be postponed until next Monday evening, March 16, 1953.

ARTICLE 6

To see if the Town will make any wage and salary adjustments so as to provide for additional salary, wages or compensations for elected and appointed officers and employees of the town to meet the increased cost of living, make any changes in working conditions, make any changes or revisions in the various classifications together with the compensation therefor, raise and appropriate money, and take any other action in relation thereto.

Voted, That consideration of Article 6 be indefinitely postponed.

ARTICLE 7

To see if the Town shall grant its employees three calendar weeks vacation with pay within each calendar year after a specified number of years service, excluding school teachers, or take any action relating thereto. (John T. Horn and others)

Voted, That the Town will grant its employees three (3) calendar weeks vacation with pay, within each calendar year, after 15 years of service, excluding school teachers and professional librarians. Said vacation period may be granted at such time, during each calendar year as the head of each Department may determine will cause the least interference with the performance of the regular work of the Town.

ARTICLE 8

To see if the Town will accept Chapter 624 of the Acts of the General Court in the year 1952 entitled "An Act relative to Increasing the amounts of Pensions, Retirement Allowances and Annuities payable to Certain former Public Employees." (Retirement Board).

Voted, That Chapter 624 of the Acts of the General Court in the year 1952 entitled "An Act relative to Increasing the Amounts of Pensions, Retirement Allowances and Annuities payable to Certain former Public Employees" be and it hereby is accepted.

Voted, That consideration of Article 9 be postponed to next Monday evening, March 16, 1953.

ARTICLE 10

To see if the Town will take any action towards the elimination of the Dutch Elm Disease, raise and appropriate money therefor.

Voted, That Two Thousand Five Hundred (\$2500) Dollars be appropriated for the purpose of suppressing the Dutch Elm Disease and elm bark beetles under Chapter 132 of the General Laws, said appropriation to be expended by the Tree Warden.

ARTICLE II

To see if the Town will authorize the expenditure and appropriate a part of the Cemetery Fund for the embellishment of Wildwood Cemetery.

Voted, That the Board of Cemetery Commissioners and the Selectmen having reported that the sum of Six Thousand Nine Hundred Ten and 96/100 (\$6910.96) Dollars of the Cemetery Fund is available for the embellishment and improvement of Wildwood Cemetery, said sum is hereby appropriated therefor.

ARTICLE 12

To see if the Town will raise and appropriate any sum or sums of money to be used with such sum or sums as may be made available from the State Highway Fund or allotted by the County Commissioners for maintenance, repair, alteration, relocation or other improvement of Town or County ways, as well as to authorize the transfer and use for said purposes of any unused balance.

Voted, That Eighteen Thousand (\$18,000) Dollars be appropriated for expenditure by the Superintendent of Streets under the direction of the Selectmen, for maintaining, repairing, improving and constructing Town or County Ways, for a share of the cost of which the Town is to be reimbursed by funds allotted by the Department of Public Works, or the County Commissioners, or by both.

\$13,500 shall be raised from the available funds in the Excess and Deficiency Account and \$4,500 to be raised by taxation. All or any part of the work to be done may, if deemed advisable, be done by contract of the Town, Department of Public Works, or the County Commissioners.

ARTICLE 13

To see if the Town will elect a Director to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service under the provisions of Section 40 - 45 inclusive of Chapter 128 of the General Laws and will make an appropriation for the purpose of said sections.

Voted, That we choose a Director of County Aid to Agriculture to serve for one year in accordance with Sections 40 and 41 of Chapter 128 of the General Laws.

Coleman G. Foley, Jr., was nominated for Director of County Aid to Agriculture to serve for one year.

Coleman G. Foley, Jr., was elected Director of County Aid to Agriculture to serve for one year.

Voted, That Fifty (\$50) Dollars be appropriated to be expended for the purposes of Sections 40 to 43 inclusive of Chapter 128 of the General Laws.

ARTICLE 14

Vote: Unanimous Vote.

Voted, That all of the above changes be effective as of April 1, 1953.

Vote: Unanimous Vote.

Moved and Seconded, That the Personnel Board on or before September 8, 1953, file with the Town Clerk an interim report as to further temporary salary adjustments to be made effective retroactive to April 1, 1953, when approved by the Town at the Town Meeting next following the filing of such report and that Eight Thousand (\$8,000) Dollars be appropriated as a special fund to defray the cost of any such increases.

Moved and Seconded, To amend by striking out the words and figures "Eight Thousand (\$8,000) Dollars" and substituting the words and figures "Four Thousand (\$4,000) Dollars."

Motion to amend was withdrawn.

Voted, That the Personnel Board on or before September 8, 1953 file with the Town Clerk an interim report as to further temporary salary adjustments to be made effective retroactive to April 1, 1953, when approved by the Town at the Town Meeting next following the filing of such report and that Eight Thousand (\$8,000) Dollars be appropriated as a special fund to defray the cost of any such increases.

Voted, That the cost of living wage and salary adjustment as adopted last year be continued, namely that there be added as an adjustment to the gross pay to all permanently employed full time employees of the Town 12% of the base pay, or \$7 per week, whichever is greater. Further that all permanently employed part time employees of the Town shall receive an addition of 12% to their base pay. Any overtime is to be paid at time and a half on the base rates and not on the new adjusted basis. The adjusted pay basis shall be the pay considered for pension purposes. This adjustment is to be retroactive to January 1, 1953. Temporary employees shall be employed at a suitable rate and their pay shall not be subject to the cost of living adjustment.

Voted, That the Personnel Board be continued with its present powers and duties and that it be requested to report at or before the next Annual Town Meeting with recommendations to the Town for any action which it deems desirable for the best interests of the Town regarding the establishment and duties of a permanent Personnel Board, and that its membership be increased by one additional member to be appointed by the Moderator, who shall be a registered voter of the Town and who preferably has had experience in personnel work.

The following is a copy of the notice of the adjournment of the Annual Representative Town Meeting of March 12, 1953 to March 30, 1953 as posted in one place, in each of the six Precincts in accordance with the provisions of Section 3, Chapter 167, Acts of 1928:

TOWN OF WINCHESTER
MIDDLESEX COUNTY, MASSACHUSETTS

(Town Seal)

In accordance with the provisions of Section 3, Chapter 167, Acts of 1928, notice is hereby given that the Representative Town Meeting of March

12, 1953 has been adjourned to meet at the Town Hall, Winchester, Mass., on March 30, 1953 at 7.45 P. M. to act on Articles 33 and 39 to 59, inclusive, of the Warrant, together with any unfinished business.

Attest:

(Signed) MABEL W. STINSON

March 27, 1953

Town Clerk

**ADJOURNED ANNUAL REPRESENTATIVE TOWN MEETING
MARCH 30, 1953**

Pursuant to the vote of adjournment on March 26, 1953, the Town Meeting Members met in the Town Hall on Monday, March 30, 1953, notices having been sent by mail by the Town Clerk to the two hundred twenty-nine (229) Town Meeting Members, and notices having been posted in each of the six Precincts.

A list of the duly qualified Town Meeting Members was used at the entrance to the meeting place and was in charge of George W. Johnston and Edward C. Cullen, Election Officers. The list contained the names of two hundred twenty-nine (229) Town Meeting Members qualified to vote and participate in Town Meetings in Winchester.

The check list filed with the Town Clerk at the close of the meeting showed that one hundred sixty-five (165) Town Meeting Members attended the meeting.

The meeting was called to order by Philip P. Wadsworth, Moderator, at 7.55 o'clock P. M.

ARTICLE 39

To see if the Town will authorize the relocation of the backstop and baseball diamond on Leonard Field, reseed and regrade the playing field, take any action in relation thereto, and appropriate money therefor to be expended under the direction of the Park Department. (Park Department).

Voted, That consideration of Article 39 be indefinitely postponed.

Voted, That the original motion and amendments offered under Article 33 at the Town Meeting on March 26, 1953 be taken from the table.

Voted, To amend the original motion by substituting the following new motion offered in place of original motion and amendments offered at the Town Meeting on March 26, 1953 under Article 33.

Voted, That a committee is hereby established consisting of a member of the School Committee chosen by it, a member of the Board of Selectmen chosen by it, a member of the Board of Library Trustees chosen by it and two citizens of the Town to be appointed by the Moderator and to be known as the Building Survey Committee for the purpose of studying the necessity or advisability of making an engineering study and survey of the physical and structural conditions, as well as the safety, of Town owned buildings to which the general public has access. The Committee shall make its report so that it can be acted upon at a subsequent Town Meeting. In the event of a vacancy it shall be filled by the respective appointing authority.

Committee: Appointed by the School Committee: Earle F. Littleton. Appointed by the Board of Selectmen: Lewis L. Wadsworth, Jr. Appointed by Board of Library Trustees: John C. Willis. Appointed by Moderator: John J. Loustaunau, Carleton W. Totman.

ARTICLE 40

To see if the Town will authorize the discontinuance of the driveway from Washington Street along the southerly side of Leonard Field, and authorize the construction of a new entrance and driveway over Town owned property running from the end of Tufts Road to the Leonard Field Beach Parking area, taking any action in relation thereto and appropriate money therefor to be expended under the direction of the Park Department. (Park Department).

Moved and Seconded, That the Park Department is hereby authorized to discontinue the driveway from Washington Street along the southerly side of Leonard Field, and that the Park Department is hereby authorized to construct a new entrance and driveway over town owned property running from the end of Tufts Road to the Leonard Field Beach Parking area and that the sum of Two Thousand (\$2,000) Dollars be appropriated therefor to be expended under the direction of the Park Department.

Voted, That consideration of Article 40 be indefinitely postponed.

Moved and Seconded, That Article 60 be reconsidered and taken up as the last Article in the Warrant.

Motion was declared lost.

ARTICLE 41

To see if the Town will appoint a Committee to locate, procure preliminary plans and ascertain costs of constructing and maintaining a municipal artificial-ice (manufactured) skating rink. Location to be central. Cost to be helped by charging nominal fee. Rink to be under supervision of Park Department. And to appropriate \$750 for committee expenses. (John C. Wakefield and others).

Moved and Seconded, That a Committee is hereby established for the purpose of considering the advisability of constructing and maintaining a municipal artificial ice skating rink. The Committee shall consist of five citizens of the Town, one to be chosen by the Park Commissioners and four of whom shall be appointed by the Moderator. If the Committee consider such a skating rink feasible and advisable they shall consider the location of such a rink, preferably in a central location; they shall procure preliminary plans and ascertain the costs of constructing and maintaining such a rink. In considering costs of maintenance they shall likewise consider what revenue might be obtained from the charging of a reasonable fee for the use of same. Any plans for operation of such a rink shall be based on the assumption that it is to be under the supervision of the Park Department. The Committee shall make its report in ample time for consideration by the next Annual Town Meeting. The sum of Seven Hundred

Fifty (\$750) Dollars is hereby appropriated to be expended by the said Committee for the purposes aforesaid.

Moved and Seconded, To amend by striking out the last sentence containing appropriation.

Moved and Seconded, To amend by striking out the words "they shall procure preliminary plans."

Voted, That the subject matter of Article 41 be referred to the Park Commissioners for consideration and report at the next Annual Town Meeting.

ARTICLE 42

To see if the Town will authorize the sale and conveyance or other disposition of all or any part or parts of those parcels of land owned by the Town and commonly known as the High Street water tower lot bounded as follows:

Parcel 1. A certain parcel of land bounded and described as follows: Southeasterly by land of Walter J. Hall and Domenic J. and Geraldine

ADJOURNED ANNUAL REPRESENTATIVE TOWN MEETING

APRIL 6, 1953

Pursuant to the vote of adjournment on March 30, 1953, the Town Meeting Members met in the Town Hall on Monday, April 6, 1953, notices having been sent by mail by the Town Clerk to the two hundred twenty-nine (229) Town Meeting Members, and notices having been posted in each of the six Precincts.

A list of the duly qualified Town Meeting Members was used at the entrance to the meeting place and was in charge of George W. Johnston and Edward C. Cullen, Election Officers. The list contained the names of two hundred twenty-nine (229) Town Meeting Members qualified to vote and participate in Town Meetings in Winchester.

The check list filed with the Town Clerk at the close of the meeting showed that one hundred sixty-two (162) Town Meeting Members attended the meeting.

The meeting was called to order by Philip P. Wadsworth, Moderator, at 7.55 o'clock P. M.

Voted, That the motion offered under Article 44 at the Town Meeting on March 30, 1953, be taken from the table.

Voted, To amend the original motion by substituting the following new motion offered in place of the original motion as offered under Article 44 at the Town Meeting on March 30, 1953.

Voted, That the Board of Park Commissioners, be and it hereby is authorized on behalf of the Town to take by eminent domain or to acquire by purchase or otherwise for the purpose of a public playground or recreation center, or for any other public or municipal purpose, that parcel of

land within the Town adjoining the present Wildwood Street playground and being bounded and described approximately as follows:

Easterly by a proposed continuation of New Meadows Road and land of Armstrong Knitting Mills and land of Martha L. Mahoney, Constance McCarthy and Jane M. Muller, four hundred sixty (460) feet, more or less;

Northwesterly by land of Martha L. Mahoney, Constance McCarthy and Jane M. Muller, five hundred ninety-five (595) feet, more or less, and three hundred seventy (370) feet, more or less;

Westerly by land of Armstrong Knitting Mills, one hundred forty (140) feet, more or less;

Southeasterly by land of Town of Winchester, and being the existing playground, two hundred sixty (260) feet, more or less and three hundred seventy (370) feet, more or less;

Southwesterly by land of Town of Winchester, and being the existing playground, sixty-six (66) feet, more or less; and

Southeasterly by land of Armstrong Knitting Mills, two hundred seventy-five (275) feet, more or less,

and containing 4.4 acres, more or less; and that the sum of eleven hundred (\$1100) dollars be appropriated to meet the cost of such acquisition and expenses in connection therewith.

Vote: Unanimous Vote.

ARTICLE 46

To see if the Town will accept the residuary bequest under the will of Margaret Cate Wood wherein she directed that the residue should be used under the direction of the Board of Library Trustees for contemporary art books, anything to further interest in art, and for children's books and not to be used for the general maintenance of the library, and take any action in relation thereto. (Library Trustees.)

Voted, That the Town hereby gratefully accepts the residuary bequest and devise under the will of Margaret Cate Wood amounting to Eighteen Hundred Nine and 17/100 (\$1,809.17) Dollars, wherein she directs that the residue shall be used under the direction of the Board of Library Trustees for contemporary art books, anything to further interest in art, and for children's books, and not to be used for the general maintenance of the Library.

Vote: Unanimous Vote.

ARTICLE 47

To see if the Town will appoint a committee to consider the desirability of fluoridating the Town water supply as a measure to decrease tooth decay in children. (Edward G. Barker and others).

Moved and Seconded, That a committee is hereby established for the purpose of considering the desirability of fluoridating the town water sup-

ply as a measure to decrease tooth decay in children. The committee shall consist of five citizens of the town to be appointed by the Moderator. They shall thoroughly investigate this subject and make their report and recommendation in ample time for action at a subsequent Town Meeting, and the sum of Fifty (\$50) Dollars is hereby appropriated to be expended by the committee for the purposes aforesaid.

Voted, To amend, that the subject matter of Article 47 be referred to the Water and Sewer Board and the Board of Health for consideration and report at a later Town Meeting.

ARTICLE 48

To see if the Town will vote to establish a Stabilization Fund, as provided for in Chapter 40, Section 5B of the General Laws; appropriate money to said fund, and to take any other action relative thereto. (Arthur J. Hewis, Jr. and others).

Moved and Seconded, That the town hereby establish a Stabilization Fund in accordance with the provisions of General Laws Chapter 40, Section 5B and that the sum of Seventy Thousand (\$70,000) Dollars be appropriated therefor, of which Ten Thousand (\$10,000) Dollars shall be raised from revenue and Sixty Thousand (\$60,000) Dollars from available funds in the Excess and Deficiency Account.

The motion was declared lost.

ARTICLE 49

To see if the Town will vote to permit a committee of three voters actively favoring an alternate plan for the grade crossing problem to expend a part of the balance of the appropriation voted in 1944 for study, technical advice and plans to prepare a plan to be submitted to the Town at the earliest acceptable date, the alternate plan being the so-called Foster-Kell-away Plan, including the closing of Main Street and allowing a campus area between the proposed new High and Junior High Schools with a traffic bypass over the Skillings Lot to eliminate the deadly traffic hazard in the Center, or do anything else in regard to the matter. (James A. Newman and others).

Voted, That the subject matter of Article 49 be laid on the table.

Voted, That Articles 50, 51 and 52 be considered together.

ARTICLE 50

To hear and act on the report of the Planning Board and then to see if the Town will amend the zoning by-laws by making all or any portion of the following proposed changes and additions, or take any action in relation thereto.

I. Insert a new Section 4, as follows:

Section 4. LIMITED BUSINESS DISTRICTS.

In Limited Business Districts, no new building shall be constructed or

used, in whole or in part, and no building or structure, or part thereof, shall be altered, enlarged, reconstructed or used, and no land shall be used for any purpose except:

A. Any of the purposes authorized without permission of the Board of Appeals in Single Residence Districts (as enumerated, with any restrictions thereon, in paragraph B of Section 2, hereof).

B. One or more of the following purposes:

1. Restaurant or other eating place.
2. Any of the following retail stores: books, stationery or news stores, cigar store, drug store, dry goods or variety store, florist or gift shop, food store or meat market, hardware or electrical appliance store, wearing apparel store.
3. Business or professional office or agency, bank or other financial institution.
4. Personal service shop of a barber, hairdresser, manicurist or shoe shiner.
5. Any of the following service establishments, dealing directly with the customer; collection station for laundry and dry cleaning, frozen food locker, hand or self service laundry, photographic studio, radio and household appliance repair shop, shoe and hat repair shop, watch and clock repair shop.
6. Automobile service station for the dispensing and sale to the public of gasoline and oil for motor vehicles, and the incidental washing, greasing and minor repairing thereof (such as replacing headlight bulbs and spark plugs, and tire changing).
7. Customary accessory uses clearly incidental to and located on the same premises with any of the foregoing uses.
8. Signs, except sky signs as defined in the Building Laws, pertaining to goods sold, services furnished or trade conducted on the premises; provided that no exterior sign or aggregate of signs (whether or not attached to a building) shall exceed one square foot in area for each 50 square feet occupied by the ground floor of the building or buildings to which they are accessory, and provided further that such signs shall not exceed three in number for each separate and distinct business enterprise on the premises.

C. Any purpose intended to serve the normal shopping needs of adjacent residential areas which the Board of Appeals shall specifically find to be of the same general character as any of the foregoing uses (as enumerated in paragraph B of this Section) if permission of said Board be obtained in accordance with the procedure and conditions set forth in Section 8 hereof.

In Limited Business Districts, the following special regulations shall also apply:

1. No building or structure shall be constructed, altered, enlarged

or reconstructed so that any part thereof, except eaves and uncovered steps, shall be within 25 feet of any street line.

2. Each dwelling house hereafter constructed shall be provided with a lot conforming to the area, width and frontage requirements applicable to such lot if located in the Single Residence District nearest thereto.
3. No building shall be constructed, altered, enlarged, reconstructed or used for purposes authorized by paragraphs B and C of this Section unless there is provided on the lot or land associated therewith, and within 300 feet thereof, automobile parking space having a total standing and maneuvering area of not less than two times the ground floor area of said building and located, graded, drained and otherwise constructed in accordance with the site plan required by paragraph 5 of this Section. Such space shall be permanently maintained, and available for the use of customers and employees of the building. No automobile parking space required by this Section for a particular building shall, during the existence of such building, be counted as required space for another building.
4. All vehicular access to and from any lot used for purposes authorized by paragraphs B and C of this Section shall be through designated driveway openings at the street line, and not more than two such openings (one of which shall be for entrance and the other for exit) shall be permitted at any street line for each 300 feet of lot frontage along said line. A lot having less than 300 feet of frontage on a street line shall not be used for purposes authorized by paragraphs B and C of this Section unless said lot is provided with vehicular access through driveway openings used in common by two or more lots having a total continuous frontage along a street line of at least 300 feet for each two openings at said line. Designated driveway openings shall not be more than 20 feet in width at the street line and shall be located not less than 20 feet apart.
5. No lot shall be used for purposes authorized by paragraph B and C of this Section except in conformity with a site plan approved by the Planning Board. Said plan shall be submitted to the Board for approval through the Building Commissioner, and shall show among other things all existing and proposed buildings, structures, parking spaces, driveway openings, driveways, service areas, and landscape features (such as fences, walls, planting areas, and walks) on the lot. In addition to the construction and maintenance of parking spaces required by this Section, the provision and maintenance of specified other facilities shown on the site plan may be required by the Board as a condition of its approval. No building permit shall be issued until the Board has approved the site plan or has allowed

forty-five days to elapse after submission without acting thereon. In considering a site plan under this Section, the Board shall assure such a degree of convenience and safety of vehicular and pedestrian movement, both within the site and in relation to adjacent streets and land, as is consistent with a reasonable use of the premises for purposes permitted by this Section.

II. At the end of Section 2B 9f, add the following:

Provided, however, that unless permission of the Board of Appeals be obtained in accordance with the procedure and conditions set forth in Section 8 hereof, the amount of sod, loam, sand, gravel or other earth products removed from the premises shall not exceed the amount of such material contained before construction in the particular space to be occupied by the foundation of the Building or structure.

III. At the end of Section 5A and at the end of Section 6AI, change the period to a comma and add the following: except that removal of sod, loam, sand, gravel or other earth product from the premises shall be authorized only if permission of the Board of Appeals be obtained in accordance with the procedure and conditions set forth in Section 8 hereof.

ARTICLE 51

To see if the Town will amend the Zoning By-Law by changing or altering the map incorporated therein and made a part thereof so as to include in the "Limited Business District" all or any part or parts of the present "Single Residence District A" on the easterly and southeasterly sides of Lockeland Road near its intersection with Ridge Street within the area bounded as follows:

Beginning at a point on the westerly side of Lockeland Road near its intersection with Ridge Street and at land of George E. Locke, et als; thence running northerly and northeasterly by Lockeland Road in a curved line, two hundred forty-seven (247) feet, more or less; thence continuing by Lockeland Road in a general northeasterly direction, five hundred fifty-three (553) feet, more or less, to a point at other land of George E. Locke, et als; thence turning at a right angle and running in a southeasterly direction four hundred (400) feet, more or less, by land of said George E. Locke, et als; thence turning at a right angle and running in a westerly direction by other land of George E. Locke, et als, six hundred forty (640) feet, more or less, to the point of beginning, and containing 7.1 acres, more or less. (Planning Board)

ARTICLE 52

To see if the Town will amend the Zoning By-Laws by striking out in Section 7A the words "or unless such non-conforming use is discontinued" so that Section 7A as amended will read

"Section 7. NON-CONFORMING USES.

- A. Any lawful building or structure, or use of a building, structure or land existing at the time this by-law is adopted which does not conform to the regulations of the district in which located may be continued, unless and until abandoned for a period of one year." (Planning Board).

My Commission expires March 28, 1958.

Voted, That the report of the Planning Board upon the proposed changes in the Zoning By-Laws under Articles 50, 51 and 52 be received and placed on file.

Voted, That the Zoning By-Laws of the Town be amended by making the following changes:

UNDER ARTICLE 50:

I. Insert a new Section 4, as follows:

Section 4. LIMITED BUSINESS DISTRICTS.

In Limited Business Districts, no new building shall be constructed or used, in whole or in part, and no building or structure, or part thereof, shall be altered, enlarged, reconstructed or used, and no land shall be used for any purpose except:

- A. Any of the purposes authorized without permission of the Board of Appeals in Single Residence Districts (as enumerated, with any restrictions thereon, in paragraph B of Section 2, hereof).
- B. One or more of the following purposes:
1. Restaurant or other eating place.
 2. Any of the following retail stores: books, stationery or news store, cigar store, drug store, dry goods or variety store, florist or gift shop, food store or meat market, hardware or electric appliance store, wearing apparel store.
 3. Business or professional office or agency, bank or other financial institution.
 4. Personal service shop of a barber, hairdresser, manicurist, or shoe shiner.

5. Any of the following service establishments, dealing directly with the customer; collection station for laundry and dry cleaning, frozen food locker, hand or self-service laundry, photographic studio, radio and household appliance repair shop, shoe and hat repair shop, watch and clock repair shop.
 6. Automobile service station for the dispensing and sale to the public of gasoline and oil for motor vehicles, and the incidental washing, greasing and minor repairing thereof (such as replacing headlight bulbs and spark plugs, and tire changing).
 7. Customary accessory uses clearly incidental to and located on the same premises with any of the foregoing uses.
 8. Signs, except sky signs as defined in the Building Laws, pertaining to goods sold, services furnished or trade conducted on the premises; provided that no exterior sign or aggregate of signs (whether or not attached to a building) shall exceed one square foot in area for each 50 square feet occupied by the ground floor of the building or buildings to which they are accessory, and provided further that such signs shall not exceed three in number for each separate and district business enterprise on the premises.
- C. Any purpose intended to serve the normal shopping needs of adjacent residential areas which the Board of Appeals shall specifically find to be of the same general character as any of the foregoing uses (as enumerated in paragraph B of this Section) if permission of said Board be obtained in accordance with the procedure and conditions set forth in Section 8 hereof.

In Limited Business Districts, the following special regulations shall also apply:

1. No building or structure shall be constructed, altered, enlarged or reconstructed so that any part thereof, except eaves and uncovered steps shall be within 25 feet of any street line.
2. Each dwelling house hereafter constructed shall be provided with a lot conforming to the area, width and frontage requirements applicable to such lot if located in the Single Residence District nearest thereto.
3. No building shall be constructed, altered, enlarged, reconstructed or used for purposes authorized by paragraphs B and C of this Section unless there is provided on the lot or land associated therewith, and within 300 feet thereof, automobile parking space having a total standing and maneuvering area of not less than two times the ground floor area of said building and located, graded, drained and otherwise constructed in accordance with the site plan required by paragraph 5 of this Section. Such space shall be permanently maintained, and available for the use of customers and employees of the building. No automobile parking space required by this Section for

a particular building shall, during the existence of such building, be counted as required space for another building.

4. All vehicular access to and from any lot used for purposes authorized by Paragraphs B and C of this Section shall be through designated driveway openings at the street line, and not more than two such openings (one of which shall be for entrance and the other for exit) shall be permitted at any street line for each 300 feet of lot frontage along said line. A lot having less than 300 feet of frontage on a street line shall not be used for purposes authorized by Paragraphs B and C of this Section unless said lot is provided with vehicular access through driveway openings used in common by two or more lots having a total continuous frontage along a street line of at least 300 feet for each two openings at said line. Designated driveway openings shall not be more than 20 feet in width at the street line and shall be located not less than 20 feet apart.
5. No lot shall be used for purposes authorized by Paragraphs B and C of this Section except in conformity with a site plan approved by the Planning Board. Said plan shall be submitted to the Board for approval through the Building Commissioner, and shall show among other things all existing and proposed buildings, structures, parking spaces, driveway openings, driveways, service areas, and landscape features (such as fences, walls, planting areas, and walks) on the lot. In addition to the construction and maintenance of parking spaces required by this Section, the provision and maintenance of specified other facilities shown on the site plan may be required by the Board as a condition of its approval. No building permit shall be issued until the Board has approved the site plan or has allowed forty-five days to elapse after submission without acting thereon. In considering a site plan under this Section, the Board shall assure such a degree of convenience and safety of vehicular and pedestrian movement, both within the site and in relation to adjacent streets and land, as is consistent with a reasonable use of the premises for purposes permitted by this Section.

SPECIAL REPRESENTATIVE TOWN MEETING

OCTOBER 22, 1953

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Winchester, Mass., by Charles J. Harrold, Constable of said Town, notices having been sent by mail by the Town Clerk seven days before the day of the meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Winchester, the Town Meeting Members met in the Town Hall in said Town on Thursday, October 22, 1953 at 7.45 o'clock in the evening.

A list of the duly qualified Town Meeting Members was used at the entrance to the meeting place and was in charge of George W. Johnston and Edward C. Cullen, Election Officers. The list contained the names of two hundred twenty-nine (229) Town Meeting Members entitled to vote and participate in Town Meetings in Winchester.

The check list filed with the Town Clerk at the close of the meeting showed that one hundred eighty-three (183) Town Meeting Members attended the meeting.

The meeting was called to order by Philip P. Wadsworth, Moderator, at 7.50 o'clock P. M.

The Moderator read the Warrant calling the meeting and the Constable's Return of the Warrant.

ARTICLE 1

To hear and act on the report of the Board of Selectmen in connection with the elimination of the Grade Crossing in the Centre and the construction of a by-pass for through traffic around the Centre; to see if the Town will authorize the Board of Selectmen to enter into definite agreements with the Commonwealth of Massachusetts, through its Department of Public Works, providing for the elimination of the Grade Crossing in the Centre and the construction of a by-pass for through traffic around the Centre;

to see if the Town will appropriate money from the available funds in the Excess and Deficiency Account for the purpose of eliminating the Grade Crossing in the Centre and the construction of a by-pass for through traffic around the Centre; and to take any action necessary or advisable in connection therewith.

Moved and Seconded, That the Town hereby approves the plan submitted for the elimination of the Grade Crossing in the Centre, and that the Board of Selectmen, or the Chairman of the Board of Selectmen, be and they hereby are authorized and empowered to enter into definite agreements with the Commonwealth of Massachusetts through its Department of Public Works, and with any other parties in interest, which will provide for the elimination of the Grade Crossing in the Centre and for the construction in connection therewith of a traffic by-pass for through traffic around the Centre, and that for the purpose of the elimination of the Grade Crossing in the Centre the sum of \$190,000 be and hereby is appropriated and transferred from the available funds in the Excess and Deficiency Account for expenditure by the Board of Selectmen, and that they are hereby authorized to pay the same to the Commonwealth of Massachusetts. It is understood that this appropriation of \$190,000 is to be the total contribution of the Town toward the overall expense of the elimination of the Grade Crossing in the Centre and the construction of the traffic bypass for through traffic around the Centre.

Moved and Seconded, To amend to postpone any action by the Town on grade crossing elimination in Winchester until our school program, including Junior High, Senior High, and Parkhurst addition or new West Side school, has been approved and financed.

Motion to Amend was declared lost.

Moved and Seconded, That the subject matter of the principal Article be referred to the Planning Board.

ARTICLE 11

To see if the Town will amend the General By-Laws of the Town by inserting a new article entitled "Article IIIA" substantially as follows:

ARTICLE IIIA

REMOVAL OF SOIL, ETC.

Sect. 1. The removal for sale or use elsewhere than on the parcel of land involved of soil, including turf or top soil, loam, sand or gravel from any parcel of land not in public use in the town is prohibited unless in accordance with the terms of a permit issued therefor by the Board of Appeals.

Sect. 2. Application for permits shall be filed with the Board of Appeals and shall be accompanied by a plan of the land involved showing the boundaries, area and dimensions thereof, the abutting land owners and the location and extent of the portion thereof from which the applicant proposes to remove said material.

Sect. 3. The Board of Appeals shall hold a public hearing to consider the application and shall cause a notice thereof to be published not less than 7 days before the date set for the hearing, and shall give notice of said hearing by mailing by registered mail to all known abutting land owners as shown by the records of the Assessors of the Town of Winchester, and to any other person or persons who, in the opinion of the Board of Appeals, may be interested in said application, not less than 7 days before said hearing. The applicant shall bear the expense of said publication and mailing.

Sect. 4. The Board of Appeals in passing upon such applications shall give due consideration to the property rights of the applicant and may not arbitrarily refuse to grant the permit, but it shall also give due consideration to the public welfare, safety, health and interest and may refuse to grant the permit if it finds that the proposed use is likely to adversely affect property values in the area or produce disagreeable dust or noise or a dangerous condition, or unreasonably injure the character of the area or otherwise cause an objectionable condition or result in other detriment to the public good, or for any other valid reason. The Board of Appeals may or, if requested in writing at the hearing by the applicant or other interested person, shall set forth in their records the reasons for their action.

Sect. 5. In granting a permit as provided for herein the Board of Appeals may impose limitations both of time and of use, and a continuation of the use permitted may be conditioned upon compliance with regulations to be made and amended from time to time thereafter.

Sect. 6. The penalty for violation of this by-law shall be as follows:

for the first offense	\$50
for the second offense	\$100; and for
each subsequent offense	\$200

Voted, That the proposed amendment to the general by-laws of the Town inserting a new Article IIIA entitled "Removal of Soil, etc." and the general subject matter thereof be referred to a committee to be appointed by the Moderator consisting of three citizens of the Town, who shall study the proposed amendment and the problem created by the existence and operation of gravel, sand and loam pits and other similar excavations, who shall make their report to the Town thereon, making such recommendations as it deems necessary for the further control and regulation of such pits and excavations in order to protect the health and safety of the residents of the Town, and to prevent the destruction or impairment of property values therein.

Committee: Austin Broadhurst, Robert S. Farnham, Bernard B. Eckberg.

ARTICLE 12

To see if the Town will accept Chapter 434 of the Acts of the General Court in the year 1953 entitled "An Act Relative to Rent Control" and will vote a declaration that a substantial shortage of rental housing accommo-

dations exist in the Town and that the control of rents therein is necessary in the public interest.

Voted, That consideration of Article 12 be indefinitely postponed.

Voted, That the meeting be now dissolved.

The meeting dissolved at 10.55 o'clock P. M.

The foregoing officers were sworn to the faithful performance of their duties.

The necessary ballots prepared for each Precinct, and the paraphernalia for the proper conduct of the Special Town Meeting were supplied by the Town Clerk and turned over to the Wardens of the various precincts.

The polls were declared open at seven (7) o'clock A. M. in each Precinct and remained open until seven (7) o'clock P. M., at which time, after due notice, they were declared closed.

The ballots were counted by the Election Officers in each Precinct the latter part of the afternoon, the total vote sheets and tally sheets prepared by the Town Clerk being used and the result of the same declared in the respective Precincts.

The ballots cast, after being counted, were enclosed in envelopes and encased in cases which were strapped up and sealed with the Precinct Seal and the same delivered to the Registrars of Voters in the Town Clerk's Office.

The Ballots not cast were encased in cases which were strapped up and sealed with the Precinct Seal, and the same were delivered to the Registrars of Voters in the Town Clerk's Office.

The Town Clerk and the Registrars of Voters, upon receipt of the returns from the several precincts forthwith canvassed the same and announced the results at 7.55 o'clock P. M. on November 20, 1953.

REPORT OF THE BOARD OF SELECTMEN

The year started with one of the most prolonged annual town meetings in some years. A total of sixty articles covered a broad range of subjects, and required five sessions of the town meeting to dispose of them all. A summary of the more important subjects gives an indication of the salient problems facing Winchester during these latter days of the post-war period of readjustment. Some of these matters are commented upon at length to include developments on these subjects during the ensuing year.

The Personnel Board reported (Article 5; see also their report) at some length on the various aspects of its work, making many recommendations for adjustments in the compensation of various groups of town employees. It seemed obvious that the problem of establishing an equitable wage and salary guide for all town employees would be a long and time-consuming task, and the meeting wisely voted to continue and enlarge the Personnel Board. Its extensive and painstaking work during the year has been of inestimable value to the Selectmen and other Boards and heads of departments. The existence of a permanent committee to handle this important aspect of town relations, this Board of Selectmen considers essential. For much too long, the need for a central, continuing body to handle personnel matters has gone unanswered. Rotation in office of Selectmen and Finance Committee members does not give the continuity of management this important function demands. Once the Personnel Board is made permanent, and completes its surveys and establishes firm policies to regulate the town's

personnel relations, means should be found to satisfactorily coordinate its work with the financial control required of the Finance Committee. Close cooperation between the two committees is obviously imperative for efficient operation.

The trend toward more generous treatment of employees was evidenced by the Town Meeting's action in voting (Article 7) three weeks' vacation with pay to town employees, exclusive of school teachers, with more than fifteen years of service. This has had the effect of giving a week's winter vacation to older town employees, in addition to their usual two weeks in the summer.

It appears that the construction of new streets has passed its peak. Nine were accepted during the meetings, which also passed an appropriation for the continuance of the Johnson Road project. The nine streets have been substantially completed during the year, with one or two (where considerable fill was required) going over until spring before having the final surface applied. Three streets were let out to contract, following recent town policy. Again this has proved satisfactory, hampered only by the shortage of engineering capacity in the town engineer's office. The marked decrease in home building during 1953 is reflected in the requests for street acceptances for 1954, which are the lowest for several years.

The State Department of Public Works continues to cooperate with Winchester in the completion of Johnson Road. A contract let for construction this winter will bring the road foundations from Ridge Street through two peat bogs, terminating not far from the end of the present completed roadway. A further appropriation has been granted by the state for 1954. One additional step, if granted in 1955, should complete the entire stretch between Wildwood and Ridge Streets. The timeliness of this project is becoming apparent, as the rapid development of the town of Lexington is forcing our neighbor to consider the construction of its connecting link to Johnson Road. Further, the number of homes recently constructed in Winchester along Ridge Street present a problem of supplying these residences with essential services which can most economically be supplied via Johnson Road.

Some of the problems above referred to, and others resulting from real estate developments, can be avoided or better handled in the future as a result of the town's action in accepting the recommendation of the subdivision control committee (Articles 53 and 54). This established a Planning Board under Chapter 41 of the General Laws, conferring substantially increased powers upon that Board to enable it to prescribe some of the conditions under which future new developments shall be undertaken. The Board of Selectmen have had many calls from distressed owners of newly constructed homes who have found themselves in serious difficulty and with no recourse to the builder or seller.

As their own report will show, the Planning Board has had a busy year. The joint attack (Articles 22 to 27 incl.) on the automobile parking problem in Winchester Center by the Planning Board and Selectmen, met with only partial success from their points of view. The town's lack of

enthusiasm for parking meters makes other solutions essential. The loss of the proposed parking area between the railroad tracks and Church Street may be seriously felt as the construction of the elevated railroad tracks progresses. One very constructive result of all the discussion is the establishment of the fact that apparently most Winchester residents are opposed to the development of the Center as a shopping area, other than to meet the bare requirements of the town itself. If true, this can have an important bearing on the future development of the business area.

Collaboration of the two Boards just mentioned with the School Committee and Park Department have resulted in several other constructive steps authorized by the last town meeting. Sites were taken by eminent domain on the west side for playgrounds and, at long last, a fire station. Negotiations are not yet complete with the owners involved, but the town now owns the properties.

The three parcels on Warwick Terrace and Main Street, adjacent to the Junior High School, the taking of which was authorized by the November 30, 1950 town meeting, have been acquired by the Selectmen for the town. Satisfactory settlements were negotiated by them with the considerable assistance of the town counsel; the homes have been removed, two by demolition and one by removal to Sylvester Ave. It was essential that these proceedings move rapidly in view of the authorization given the Building Committee for additional facilities for Senior and Junior High Schools (Article 29) to proceed with plans and specifications for the remodeling of the Junior High School into a new High School. These plans were presented and unanimously approved by a special town meeting called on November 12. As is well known, construction is now under way.

This special town meeting of November 12 also authorized the Selectmen to borrow by a bond issue the \$1,790,000 to finance this school. Accordingly, in collaboration with the Town Treasurer, bids were taken through the First National Bank of Boston on December 22, 1953, and placed at the very favorable rate of 1.9% with an attractive premium of .269.

Although all the foregoing matters are related to the growth and development of the town — in fact, are necessitated by such progress—probably the most significant event during the year comes directly out of past history. The elimination of the railroad grade crossing in Winchester Center has had the attention of too many other Boards of Selectmen and committees to mention. Following the general authority given by previous town meetings, this Board has continued to work with the State Department of Public Works and its consulting engineer, Thomas Worcester, Inc., in attempting to develop the best possible plans for the town by means of which the crossing will be eliminated. The inclusion in the plans by Commissioner of Public Works John A. Volpe of a new road across the Skillings estate to by-pass traffic on Route 38 (Main Street) around Winchester Center as announced by him on March 27, 1953, added an important feature to the project and served to win many converts to the plan. Engineering plans progressed rapidly during the summer so that by fall

certain costs were known, and a conference could be held between town and DPW officials to bring the matter to a head. This resulted in a tentative agreement on the amount the town would pay for the project which was \$190,000. The Selectmen promptly called a public hearing (October 15) and a special town meeting (October 22) to explain the details of the work to be done and ask the town to authorize a settlement with the DPW. This was voted by the town meeting 143 to 23, and immediately subjected to referendum on November 20. The referendum vote sustained the vote of the town meeting.

A report was compiled by the Board and distributed at the time. It is reprinted following this report. At the present writing, an agreement is being drawn between the town, the state, and the Boston & Maine Railroad to cover the details of the work. Bids were taken December 22 on the first contract — that of building a temporary trestle, and will soon be awarded. Construction should actually be under way by spring. All the work will be done under the supervision of the state.

Between the referendum vote on November 20 and the special town meeting on the High School November 12, there came another special town meeting on November 16. The warrant for this meeting contained 12 articles, mostly of general interest, having to do with the school problems, certain appropriations, the interim report of the Personnel Board, the question of the continuance of Rent Control, and to hear the report of the Parkhurst School Building Committee. Action on the last was deferred, anticipating a possible special town meeting prior to the annual town meeting in March.

The Selectmen brought before the meeting the question of the establishment within the Police Department of a traffic division. This would necessitate the appointment of a new patrolman to permit the assignment of one officer full-time and exclusively to the enforcement of traffic regulations. Also, the elevation of an existing patrolman to the position of sergeant, who would assist the present three sergeants with the discharge of their duties, provide additional coverage by superior officers now necessary for efficient supervision, and to permit one of the sergeants to devote a part of his time to the study of traffic problems. The Selectmen strongly feel that with the steady increase in automobile traffic the time has come for Winchester to take an aggressive step in the direction of insuring public safety.

Also in this connection, the increasing frequency of serious automobile accidents and the difficulty of extricating victims from the wreckage, as well as the desirability of having adequate rescue apparatus for many other types of misfortune, has led the Fire Chief to request the purchase of a specially equipped rescue truck. The Selectmen agree that this has now become a necessary piece of equipment, and are recommending to the annual town meeting that it be purchased.

Comparatively heavy capital investments in equipment are again necessary in the Highway Department to replace old and worn equipment. This particular question of equipment replacement and maintenance has

had considerable study by the Selectmen this year. In some cases we believe the town has followed too conservative a policy in equipment replacement, and has passed the point where maintenance costs exceed depreciation. For example, in the case of police cruising cars, the maintenance costs are so high for the cars in excess of one year old, we believe it is more economical to purchase new cars every year. We are so recommending this year.

The Selectmen are pleased to announce the appointment of Mr. T. J. Boecker as Civil Defense Director on the resignation of Mr. Lester C. Gustin, Jr. This organization continues to be active despite the passive interest of much of the general public. It is only when a disaster occurs (such as evidenced in the Worcester Tornado) that the full value of this organization is appreciated. Several of Winchester's town departments took part in acts of assistance to victims of that catastrophe, including the organization of an emergency campaign for funds by the Selectmen. The response of the town was gratifying. It is to the Civil Defense organizations throughout the state, however, that much credit should be given. Two members of Winchester Civil Defense group were sent to the Federal Civil Defense training school this past fall.

Aside from the points mentioned above, the administrative job of the Selectmen has been comparatively routine. Considerable elaboration on some of these points will be found in the reports of other Boards and various departments of the town.

The general problem of economical administration of government continues to grow on the local level, as on the state and federal, as citizens and taxpayers constantly turn to public bodies for assistance and additional services. To meet the need for factual information on which to base decisions, the Selectmen have encouraged the expansion of the office of the Town Accountant. The present incumbent is capable, an active student of town government, and now has a full-time clerical assistant, following action of the November 16, 1953, town meeting. His office has rendered valuable assistance this year, not only to the Selectmen, but to the Personnel Board, the Centralized Purchasing Committee, the Finance Committee and others. He now regularly audits the accounts of certain other town departments. It is the opinion of this Board of Selectmen that the wise use of the facilities of the Town Accountant's office will show the way to economies, consolidations and improvements in methods and procedures which can go far to offset the increasing cost of government. At the same time, through proper organization, ways can be devised to lighten the burden on future town officials. The job of maintaining efficiency and effecting improvements is a steady one; it has to be worked at constantly. Here is a tool for doing just that. If it is used it can be effective; if unused, it fails of its fundamental purpose and, worse still, becomes an added weight around the taxpayer's neck.

Winchester can well afford to look with care on how it permits its remaining undeveloped land to be built upon. The providing of schools and services to additional new homes is costly. The figures reported at the

March, 1953, town meeting, which were prepared by the Town Accountant, bear repeating. They show that it cost \$424.42 to provide town services to each dwelling during 1952. That means a dwelling must have an **assessed** valuation of \$10,020 in order to provide the cost of service (at tax rate of \$41.60). Put another way, it means a per capita cost of almost exactly \$100. With the new and added powers of the Planning Board, some badly needed control can be exercised, but this alone is not enough. This is a matter worth studying.

The Board of Selectmen, Town Engineer and Planning Board attended, late in December, 1953, two meetings called by Commissioner of Public Works John A. Volpe. Their purpose was to discuss in the very early stages the possible relocation of Route 28 (Boston to Andover to Lawrence) which would affect Winchester slightly, and the relocation of Route 3 (Cambridge Street) which is very badly needed. There is no money available for these projects, other than for planning, but the basic studies are under way. We can be encouraged from this that some of our traffic problems may be assisted, even though it may take some time. However, changes such as these, like the advent of Route 128, will have an effect on the traffic pattern in the town. We, too, must be alert to change, and plan ahead.

REPORT OF TREE WARDEN

Board of Selectmen

December 31, 1953

Winchester, Mass.

Gentlemen:

For the second consecutive year, Dutch Elm disease has been a major problem for the Tree Department. While the number of cases of the disease has dropped from ninety-six in 1952 to seventy-two this year, excluding State and Metropolitan District Commission trees, the too frequent occurrence represents a serious loss of public and private elm shade trees. Of seventy-two diseased trees, four were public shade trees, twelve were park trees and fifty-six were privately owned trees. The department has removed or caused to be removed by commercial facilities all seventy-two diseased trees. Public elms were again sprayed in May and July with DDT. This spray program appears to be effectively controlling the disease as only four of seventy-two cases were public shade trees. Forty suspect elm trees tested by the Shade Trees Laboratory were reported as free from Dutch Elm disease.

One hundred twenty-two Maple and three Linden trees were planted during the spring of 1953.

Tree maintenance and removal work was hampered by the resignation of the two tree climbers. Much of the removal and some maintenance work had to be turned over to commercial companies.

Spraying of private trees was again let out to contract. The successful bidder being The Allard Corporation. Charges for spraying in the amount of \$1546.00 were committed to the Collector.

Respectively submitted,

JAMES A. WAKEFIELD, JR.,

Tree Warden

REPORT OF SEALER OF WEIGHTS AND MEASURES

Board of Selectmen

Town Hall

Winchester, Mass.

Gentlemen:

This year has found the Sealer working very closely with the Board of Selectmen to make the Department of Weights and Measures an active and vital part of the Town's economy.

Several steps have been taken the past year to insure these results.

1. A detailed report has been made twice a month regarding the Sealer's activities.
2. A new detailed report form has been used.
3. Cruising town for spot checks of all fuel dealers doing business in this town.
4. All self-service stores constantly checked for accuracy in pre-packaged items.

CORDWOOD

People who purchase cordwood can use this simple method of computing correct footage.

1 cordwood = 132 cu. ft.

1 cord fireplace wood = 96 cut. ft.

You will note a loss of 25% which is allowed any dealer for cutting to size requested.

An analysis of the Sealer's activity is listed as follows:

1. Scales — Sealed	66
2. Scales — Adjusted	10
3. Scale — Not sealed	1
4. Scale — Condemned	1
5. Gasoline Pumps — Sealed	35
6. Gasoline Pumps — Adjusted	6
7. Leather Measuring Machines Sealed	15
8. Commodity Checks (food)	143
9. Commodity Checks (fuel)	63
10. Pedlars and hawkers check	5
11. Produce dealers check	21
12. Junk dealers check	8

REPORT OF THE ENGINEERING DEPARTMENT

Board of Selectmen
Winchester, Mass.

December 31, 1953

Gentlemen:

I respectfully submit the annual report of the Engineering Department for 1953. The activities of the department are summarized under the following headings:

Board of Assessors:

Assessors plans were revised to show annual changes in land ownership, new lots, new buildings and other information pertinent to assessments.

The set of composite assessors plans was brought up to date under the supervision of the Engineering Department.

One year indexing of assessors abstracts was completed.

Board of Survey:

Meadowcroft Road — a way beginning at the end of the existing approved portion of Meadowcroft Road, and extending southeasterly approximately two hundred twenty-eight (228) feet, was approved by the Board of Survey.

Building Department:

Surveys for the determination of street lines were made upon request.

Cemetery Department:

Plans showing lotting, restricted areas, etc., and corresponding surveys were made upon request.

The annual locations and plans of all interments were made, for record purposes.

Collector of Taxes:

Descriptions of land and other data necessary in the preparation of certificates for dissolution of tax liens were prepared for the Collector of Taxes.

Highway Department:

Plans and reports of streets accepted by the Town this year, and the necessary lines and grades for construction were provided. Stone bounds defining the streets were set.

Lines and grades were furnished for surface drainage construction, and location plans and profiles made upon completion of the construction.

The construction program for granolithic sidewalks required considerable engineering service again this year.

Estimates, costs and assessments for streets, sidewalks and various highway projects were submitted to the Board of Selectmen.

Lines for street markings were furnished as required.

The engineering services required for making detailed plans and cross sections for taking bids on Bellevue Avenue, Laurel Hill Lane and Ware Road were furnished by Nylander and Miller of Lexington. They also furnished inspection services.

Specifications for the construction of Bellevue Avenue, Laurel Hill Land and Ware Road were furnished by the Engineering Department.

Plans and estimates for the 1954 construction program are being prepared.

Street layouts and Acceptance plans were made of the following ways:

Bellevue Avenue	layout	Sunset Road	layout of part
James Street	layout	Ware Road	layout
Laurel Hill Lane	layout	Wendell Street	layout of part
Risley Road	layout	Winford Way	layout of part
Squanto Road	layout		

Construction was completed on Bellevue Avenue, James Street, Laurel Hill Lane, Risley Road, Squanto Road, Ware Road, Wendell Street and Winford Way.

Park Department:

Seasonal layouts for baseball, football, field hockey, swimming, etc., were made as requested. Surveys to establish park land boundaries were made.

Estimates of costs of various proposed park projects were prepared as requested.

Police Department:

Several accident plans and the necessary locations were made as requested.

Locations and plans of speed limit zones on South Main Street and Grove Street were made.

Planning Board:

The following streets were approved by the Planning Board:

Franklin Road — discontinuance of the portion between Lawson Road and Pierrepont Road.

Warwick Terrace — a way beginning at Main Street and extending westerly approximately two hundred seventy-seven (277) feet.

Surveys and plans for the following proposed projects were made:

Agawam Road	Park and Water Land
Common Street	Parking
Johnson Road to Pond Street	Street
Lockeland Road and Ridge Street	Zoning
Lockeland Road and Ridge Street	Fire Station Site
Ridge Street	School Site
Ridge Street and Johnson Road	Playground
Swanton Street to Irving Street	Zoning
Wickford Road to Sylvester Avenue	Street
Wildwood Street	West Side Playground
Winchester Place	Parking

School Department:

Lines and grades were provided for the play areas at the Washington and Parkhurst Schools. Surveys to establish school land boundaries were made as requested.

A survey and plan of Warwick Terrace, for approval by the Planning Board, was made, for the new addition to the Junior High School.

Water and Sewer Department:

Preliminary plans, layouts, grades and lines, connection records and assessments have been made for sewers constructed in 1953.

Water main locations and plans showing various installations are being made.

Rainfall and reservoir charts were made as requested.

Miscellaneous:

During the year various locations were made and miscellaneous services provided for other departments and Town officers.

Considerable time was spent in furnishing information needed by the State in preparing plans for the elimination of the grade crossing.

Information was furnished to the general public, lawyers, engineers, public service companies and others as requested.

Respectfully submitted,

JAMES A. WAKEFIELD, JR.

Town Engineer

REPORT OF THE DIRECTOR OF VETERANS' SERVICES

To the Board of Selectmen
Winchester, Massachusetts

December 31, 1953

Gentlemen:

I report as follows on Veterans' Benefits: January 1953 opened with 13 cases and 30 dependents and closed December 1953 with nine cases and 24 dependents. During the entire year 27 different cases were serviced with disbursements, of which the Commonwealth accepted 50% of the total cost on all authorized cases. There were, also, two Repatriation cases and two War Allowance cases handled in Winchester.

Veterans' Services, equally as important, covered considerable ground without expense to the Town. These included claims filed for compensation, pension, funeral, headstone, flag and hospital expenses. All necessary V. A. forms were available in this office and helpful assistance was given to veterans and their dependents in the filling out and processing of necessary forms. Questions on insurance and education were answered. Bonus applications for the Korean War veterans were distributed to Winchester settled veterans and photostats of their service record were collected for entry into the permanent record book.

The various Town Officers have been most cooperative in the administration of benefits and services, and the Red Cross has done yeoman service in advising where emergency cases arose: so too, the Visiting Nurses.

With veterans of the Korean War added, business in Veterans' Benefits and Services will increase.

Respectfully submitted,

CHARLES D. ROCHE

Director

REPORT OF THE FIRE DEPARTMENT

December 31, 1953

Board of Selectmen

Gentlemen:

I respectfully submit herewith my eighth annual report of the Fire Department for the year 1953.

The department has responded to 354 Still, 84 Box, 6 False and 10 Mutual Aid Alarms, a total of 453 alarms. 20 of the Still Alarms were for rescue work or asphyxia cases.

Apparatus has traveled a total of 1517 miles and engines have pumped 92 hours. 16,650 feet of 2½ inch, 5,150 feet of 1½ inch and 56,650 feet of booster hose was used, and 1,700 feet of ladder raised. The resuscitator was used 6 times.

7 Carbon Dioxide, 7 Dry Chemical and 2 Foam extinguishers were used. 134 Soda and Acid and 6 Foam extinguishers were filled for other departments or residents of town.

363 permits were issued for oil burner or oil storage installations, 8 permits for storage of inflammable fluids, 44 permits for blasting and 95 permits for fires in the open. Oil storage permits totaled 70,750 gallons of light oil, making a total storage of 1,317,000 gallons of light oil on which permits have been issued.

300 Christmas Trees and a quantity of Christmas decorations were sprayed with a borax solution during the Christmas season.

All motor equipment is in good condition with the exception of the service truck. It is planned for replacement in the near future.

All boxes and circuits in our fire alarm system have been tested each month and found in good operating condition. Two new boxes were installed making a total of 78 street boxes on our fire alarm system. Two fire alarm boxes have been re-located to give better coverage.

The fire station building is in good condition with the exception of the apparatus doors. It is planned to replace them with overhead doors in the near future. A separate watch room on the apparatus floor is becoming a necessity and will have to be built in the near future.

The manual force consists of 30 Permanent and 15 Call Men. The permanent force is composed of a Chief, 4 Captains, 2 Fire Alarm Men, a Mechanic and 23 Privates.

The auxiliary force is composed of 20 firefighters. They have responded on numerous alarms and have given valuable assistance. They have maintained efficiency through fire duty and a series of practice drills held under the direction of the officers of the regular department and their Chief, T. Parker Clarke during the summer months.

During the year a site was selected and is being purchased for erection of a new west side fire station. It is hoped this station can be built and equipped in the near future to provide adequate fire protection to this section of town.

I wish to express my appreciation to the residents and business men of town for their cooperation in fire prevention, to the permanent men who have responded to alarms when off duty, to our Chaplains Rev. Bailey and Rev. Anadore, to Chief T. P. Clarke and his auxiliary firemen who have given so freely of their time and efforts, and to members of other town departments for their assistance and cooperation.

Respectfully submitted,

JAMES E. CALLAHAN

Chief

REPORT OF TOWN COUNSEL

December 31, 1953

Board of Selectmen
Winchester, Massachusetts

Gentlemen:

Each year it is necessary to spend more time on the work of the Town Counsel. New legislation affecting towns, increasing number of special Town Meetings, land takings for schools and playgrounds, new and old problems requiring legal advice and the continuing growth of the town all help to increase the amount of work that needs to be done.

Many formal legal opinions have been rendered to various officers, boards and committees, in addition to countless informal opinions and advice given. Much time has been spent in preparation of, or examination of deeds, contracts, easements, bonds and releases. Titles have been examined to property acquired, necessary orders drawn, and assistance rendered in connection with land taking settlements. Sidewalk orders, street layouts, sewer construction orders, takings and orders for betterment assessments are all examined and recorded at the Registry of Deeds.

Preparation of articles for Town Meetings, regular and several special, and preparation of votes therefor all call for much work, as well as many conferences with committees, boards and officers involved.

Legal suits in which the town is a party and which are pending include those of Charles N. Atwood, John J. Barry, Andrew T. Bourque, John P. Cassidy, Children's Own School, Inc., James V. Errico, Ethel Goodwin, Arthur Hubert, Emily Hubert, Ruth Hutchinson, James P. Kendall, Robert McKee, Hazel W. Merrill, and Jeannette J. Welch. A number of other cases have been tried or adjusted during the year. Claims by or against the town are investigated and suitable action taken.

Every effort is made to watch out for the legal interests of the town and to render all legal advice and assistance to the various committees, boards and officers.

Respectfully submitted

VINCENT P. CLARKE

Town Counsel

REPORT OF WORKMEN'S COMPENSATION

The Honorable Board of Selectmen

Town Hall

Winchester, Massachusetts

Gentlemen:

Herewith is a report of Workmen's Compensation for the year 1953.

Seven cases received weekly compensation payments for the entire year, totaling \$8,510.86. Four of these cases required medical care in addition to compensation. Medical costs for this group amounted to \$768.00.

Eight town employees were paid compensation on a temporary basis, as a result of accidents, for a total of 37 weeks and 1 day. This amounted to \$992.46. Medical costs for this group totaled \$241.85.

Thirty-six other accidents were reported. Of these 28 required medical services at a cost of \$681.79. No loss of work resulted from these accidents.

Two cases, pending in 1952, were completed in 1953. One case was awarded compensation, plus medical costs, by the Industrial Accident Board. In the second case the Town rejected a claim for compensation, which decision was upheld by the Industrial Accident Board.

During the year 1953 one case was settled by a lump sum settlement.

The Agent wishes to express his sincere appreciation to the Town Counsel for his invaluable assistance throughout the year and also to all the departments in the Town Government who cooperated with the Compensation Department.

A brief summary of 1953 expenditures is as follows:

Compensation	\$ 10,490.32
Hospital	788.15
Physicians	1,912.00
Medicines	40.49
General Expenses	157.50
	\$ 13,388.46

Respectfully submitted,

WILLIAM P. SUPPLE

Compensation Agent

REPORT OF THE HIGHWAY DEPARTMENT

December 31, 1953

Board of Selectmen
Winchester, Mass.

Gentlemen:

I respectfully submit the following annual report of the Highway Department:

New Construction**Streets**

The following streets accepted as public ways by the Town at the annual meeting were constructed and surfaced with bituminous macadam by the department:

James Street—Henry Street to the Winchester-Arlington town line

Risley Road—Sargent Road to Town Way

Squanto Road—Manomet Road to Emerson Road

Wendell Street—from end of 1931 Acceptance to Cross Street

Winford Way—from the end of that portion accepted in 1950 to Winchester-Medford town line

Sunset Road was constructed as far as the gravel base. Bituminous macadam surfacing will be built in the spring of 1954.

In addition, Allstate Construction Company of Woburn completed 1952 construction of Priscilla Lane and North Gateway with bituminous macadam surfacing. Bellevue Avenue, Laurel Hill Lane and Ware Road accepted March 1953 were let out to the low bidder, James J. Fitzgerald Contracting Company of Winchester. Construction with bituminous macadam surface was completed this year.

Under the Chapter 90 program, another section of Johnson Road was

led out to contract in December to Allstate Construction Company. Construction is scheduled for early 1954.

Surface Drainage

Surface drainage was installed as shown below:

Highland Ave.			1		Surface Drainage

Sidewalk and Curb

3,234 square yards of granolithic sidewalk, 4,650 linear feet of granite curbing, 1,165 linear feet of concrete curbing, and 382 linear feet of paving stone curbing have been installed during the year.

Maintenance

Streets

Normal patching and sealing of cracked pavements was carried on during the spring months.

A large number of streets were surface treated as part of the regular maintenance program.

Sidewalks

499 square yards of granolithic sidewalk were replaced by the department.

Surface Drainage

The street drainage systems were cleaned and necessary repairs made.

Street Signs and Marking

Approximately 115 street name and traffic signs were erected during the year in addition to repainting many existing signs. About 30 miles of traffic lines were painted on the streets and public parking lots.

Special Projects

In addition to the Highway construction and maintenance program, the department constructed the following special projects:

Gravel sidewalk was built on the westerly side of Main Street from Symmes Corner to Chardon Road, to eliminate need of school children crossing Main Street in the Chardon Road area.

Additional bituminous concrete paving was placed in the parking lot at the rear of the Fire Station.

Traffic control signals were installed at Main, Water and Swanton Streets.

Miscellaneous

New Equipment

A heavy Ford dump truck and a Walters four wheel drive dump truck were purchased as replacements for two 1945 Dodge trucks.

A D-6 Caterpillar dozer replaced the Cletrac dozer purchaser in 1946.

Materials

Road construction materials were advertised for bids and contracts awarded.

Garbage Collection

A contract for town collected and delivered garbage was awarded to the highest bidder, George Sousa of Woburn, in the amount of \$9,000.00 from August 1, 1953 to July 31, 1954.

Snow and Ice

The winter of 1952-1953 was comparatively mild; however there was one heavy storm early in January. Slippery road conditions from light snow and rain storms required some plowing and considerable sanding during the season.

1953 Expenditures for Snow and Ice were as follows:

General Snow Removal	\$12,259.76
Plowing Streets and Sidewalks	5,070.21
Sanding	10,222.43
Repairs to Equipment	7,230.14
Equipment and Tools	419.13
	\$ 35,201.67

The fine cooperation by all departments, boards and employees greatly assisted in the various departmental operations during the year.

Respectfully submitted,

Total mileage covered by motor vehicles in Police Department	115,329

Personnel

The department now consists of a Chief, two Lieutenants, three Sergeants, twenty-eight patrolmen and one woman Secretary.

Equipment

The motor vehicle equipment consists of two Fords and one Chevrolet cruising cars and one Cadillac Ambulance. The three patrol cars are equipped with two-way radios and the ambulance is equipped with a receiving set. With the purchase of two new cars to replace the Ford cruising cars the efficiency of our patrol service should be improved, while repair costs should be brought to a minimum.

Building

The exterior of the building is in good condition with the exception of a small amount of brick pointing. On the inside, the building is in good condition having been recently painted, plumbing and electrical equipment replaced where needed and upper floor finished. The radio antenna pole was refinished in 1953.

Safety

During the past year we have had three fatal accidents. We do find our traffic problem in Winchester becoming more difficult yearly and this can be attributed to the great increase in population and auto registration both in Winchester and in the Commonwealth and to the opening of the new State Highway Route 128 located just north of Winchester. We do not expect the opening of the new State Highway Route 3 will have any marked effect upon our traffic load.

It is reasonable to assume that while traffic problems in Winchester Center will lessen somewhat, conditions on Main and Washington Streets at the intersection of the new by-pass, will have a marked effect upon traffic conditions at those locations.

Your Board of Selectmen and Police Department have gone all out in their survey of dangerous intersections, parking conditions, etc., and have made numerous changes for betterment throughout our town.

Again we are pleased to report our automobile instruction class in our schools to be away out front, in that not one pupil as of this date, has been marked up as a motor vehicle violator. Congratulations to their capable instructor Bill Branley.

The setting up of a traffic division in this department by the assignment of an investigating Sergeant and police officer is expected to produce results that should show a decrease in violations of the motor vehicle laws and accidents throughout our town.

In substance, it means that no accident large or small will not be investigated and should either or both operators involved be found at fault prosecution or registry action will result.

The new "Point" or "Merit" system, enacted into law and effective as of January 1, 1954, is showing good results as evidenced by the decrease in flagrant violations. Each officer of this department is now equipped with the new three-way "No Fix" violation book and does not hesitate to use it when conditions warrant. Detailed explanations of this system were given the public through the medium of our Winchester Star and the Woburn Daily Times.

Auxiliary Police

We have 52 members of the Civil Defense Auxiliary Police and of this group we have 44 active members. These citizens of our town certainly deserve credit and praise for their efforts, having volunteered their time, attended their weekly classes in instruction and on occasions rendering assistance to our police department when called upon.

Their instructions included Laws and Rights of Arrest, Detection and Apprehension of Criminals, Traffic Control, Rendering first-aid and Revolver Target practice.

Congratulations for a job well done are due their Chief Robert A. Johnston and their police instructors, Sergeant Edward F. Bowler, graduate of F. B. I. Training School, and Officer Winthrop A. Palmer, graduate of Mass. State Police Training School.

Our thanks to the lawyers, judges, doctors and others who so generously donated their time and effort in giving these lectures.

Service

I wish to acknowledge the co-operation and support of the personnel of this department. I also wish to thank the Honorable Board of Selectmen and the Finance Committee, together with the citizens of Winchester for their courtesies and cooperation throughout the year.

Respectfully submitted,

CHARLES J. HARROLD

Chief of Police

Report of An Audit of the Accounts of the Town of Winchester

FOR THE PERIOD FROM MARCH 22, 1952
TO JULY 16, 1953

Made in Accordance with the Provisions of
Chapter 44, General Laws

The Commonwealth of Massachusetts

DEPARTMENT OF CORPORATIONS
AND TAXATION

DIVISION OF ACCOUNTS

STATE HOUSE, BOSTON 33

September 23, 1953

To the Board of Selectmen

Mr. Don S. Greer, Chairman

Winchester, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Winchester for the period from March 22, 1952 to July 16, 1953, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE
Director of Accounts

Mr. Herman B. Dine
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Winchester for the period from March 22, 1952, the date of the previous audit, to July 16, 1953, the following report being submitted thereon:

An examination and verification was made of the recorded financial transactions of the town as shown on the books of the departments receiving or disbursing money or committing bills for collection.

The books and accounts of the town accountant were examined and checked in detail. The recorded receipts were checked with the treasurer's cash book and with the records of departmental payments to the treasurer, while the recorded disbursements were checked with the treasury warrants and with the record of payments by the treasurer.

The appropriations and transfers, as listed from the town clerk's record of town meeting proceedings, were checked to the appropriation accounts in the accountant's ledger.

An analysis was made of the ledger accounts, the necessary adjusting entries resulting from the audit were made, a trial balance was drawn off proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on July 16, 1953.

The approved vouchers and payrolls on file were examined and compared with the entries in the classification book.

The books and accounts of the town treasurer were examined and checked. The receipts, as recorded, were analyzed and compared with the records of payments to the treasurer by the several departments and with other sources from which the town received money, while the recorded payments were compared with the selectmen's warrants and with the accountant's books.

The cash book was footed throughout for the period of the audit, and the cash balance on July 16, 1953 was verified by reconciliation of the bank balances with statements furnished by the banks of deposit and by actual count of the cash in the office.

The payments on account of maturing debt and interest were verified by comparison with the amounts falling due and with the cancelled securities and coupons on file.

The tax titles and tax possessions held by the town were listed from the records of the treasurer and all transactions pertaining thereto were verified, including a comparison with the records at the Registry of Deeds.

The transactions of the trust, investment, and retirement funds in the custody of the town treasurer were verified, and the securities and savings bank books representing the investment of these funds were personally examined and listed.

The records of payroll deductions for federal taxes were examined and checked and the balances on hand on July 16, 1953 were reconciled with the ledger control.

The books and accounts of the town collector were examined and checked. The taxes, motor vehicle and trailer excise, and special assessments, together with departmental and water accounts receivable outstanding according to the previous examination, as well as all subsequent commitment lists, were audited and reconciled with the warrants for their collection.

The recorded receipts were checked with the payments to the treasurer and with the accountant's books, the abatements as recorded were compared with the assessors' and other departmental records of abatements granted, and the outstanding accounts were listed.

The cash balance on July 16, 1953 was verified by actual count of the cash in the office and by reconciliation of the bank balance with a statement furnished by the bank of deposit.

Verification notices were mailed to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The records of apportioned and suspended assessments were examined and checked. The recorded payments in advance were compared with the payments to the treasurer, the amounts apportioned and added to taxes were verified, and the assessments due in future years were listed and proved with the accountant's ledger accounts.

The records of guarantee deposits for sewer and water connections were examined and checked. The refunds to the depositors and the transfers to the town for the cost of work were verified, and the deposits on hand on July 16, 1953 were listed and proved with the accountant's ledger controls.

The records of dog and sporting licenses issued by the town clerk and of miscellaneous collections from marriage intentions, recording fees, etc., were examined and checked, the payments to the State and to the town treasurer being verified, and the cash balance on July 16, 1953 being proved.

The records of receipts of the board of selectmen and the sealer of weights and measures, as well as of the police, fire, health, school, library, and cemetery departments, were examined and checked, the payments to the treasurer being compared with the treasurer's cash book, and the cash on hand in the several departments being proved by actual count.

The surety bonds of the financial officials bonded for the faithful performance of their duties were examined and found to be in proper form.

During the progress of the audit cooperation was received from all the town officials, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Report of the Park Commissioners

As mentioned in our report a year ago, the "real estate" under the care and control of the Park Commissioners is extensive. At the Annual Town Meeting of 1953 two new large areas were added, five additional acres to the West Side Playground, and nine acres on Ridge Street for a new playground.

It is not planned to develop these areas in the immediate future. When the new area of the West Side Playground is developed, the outdoor basketball court, which we plan to erect, will be in a different location than where it would be if it were built now. As this is an expensive installation, it is our intention not to build this court until the additional area is developed.

This past summer we again had a pollution problem with the Leonard Field Pool, which necessitated closing it. It would appear the difficulty is caused by the State sewer line which runs close by. We are working on this problem, with the State officials.

We hope the entire underground area is not polluted, which would mean the pool would be closed permanently. If it is found that the polluted condition is caused by the present wells being too close to the sewer line, we must then move them to a new location.

It will be necessary in the immediate future to replace the permanent wooden bleachers on Manchester Field because of their poor condition. The present total seating capacity of 2,840 seats, 1,400 wooden and 1,440 new steel bleachers is no where near enough, particularly during the year the Woburn game is played at Winchester.

Therefore, a period of a month or more is spent by our force moving borrowed bleachers back and forth from another community. Under the present arrangements it is not possible to return the bleachers until Spring, our busiest time of year.

For these reasons we believe it would be wise to start a program where the Town would buy each year a given number of portable steel bleachers, until the required total seating capacity is reached.

The time has come when it is necessary to regrade and seed Leonard Field. We plan to do this work as well as relocate the diamond this year.

Last Spring a new area off Cross Street on the northwest corner of Leonard Field was set aside as a parking area for the beach and pool. The area has been surrounded by an attractive rustic fence.

All recreational activities were more popular than ever before. The Playground activities under the supervision of Mr. Edward Bartlett had a record attendance of 727 children. In addition to contests between the Town Playgrounds, games were played with Arlington, Lexington and Stoneham.

Mrs. Ruth Thomas again supervised the Arts & Crafts program. Many varied and useful articles were made and displayed in the window of Hevey's drug store.

A very enthusiastic and spirited soft ball league was held last year. Eight teams competed in the program. The Sons of Italy were champions

for the third time, thus entitling them to permanent possession of the Park Department trophy. A new one will be offered.

Little League managed a very successful season. The area set aside on Ginn Field for this activity was most satisfactory. Permission has been given to the Little League to use the southerly end of this field for "Farm Teams" provided this area is not lost temporarily during the construction of the Railroad Overpass.

Swimming instructions were given on both beaches. There were many entrants in the popular swimming meet held jointly by the Park Department and Red Cross.

Tennis enthusiasts still continue to multiply. It is interesting to note the great preference for the dirt courts on Palmer Street over the hard surface courts on Leonard and Loring Fields.

At the March Town Meeting of last year, the subject matter of Article 41 was referred to the Park Board for further study and recommendation. This article was concerned with the erection and maintenance by the Park Board of a municipal artificial-ice skating rink. Therefore a committee consisting of two members of the Board, Dr. Eugene Pollard and Mr. J. William Smith, Jr., and two from the Town at large, Messrs. John C. Wakefield and Harrison Chadwick was appointed. This Committee has been studying plans of such rinks, has visited several rinks while in construction, has obtained literature from various rinks already in use and had several conferences with competent engineers engaged in this work. The problem of location has been looked into carefully as well as the problems of what to charge, what concessions would be necessary, etc. The Committee intends to make a fuller report and their recommendations at the Town Meeting in March of 1954.

Because of a change in business, Mr. James H. Coon resigned, effective July 1, 1953. Mr. Coon was especially interested in the Recreational activities of the Park Board. In addition to aiding in the accomplishments of our many tasks, he is responsible for the idea and the construction of the tremendously popular outdoor basketball court on Ginn Field.

At a joint meeting of the Board of Selectmen and the Park Commissioners, Dr. William L. Davis was appointed to the Board in August. Dr. Davis has lived in Winchester for many years, and has served on numerous Boards and Committees.

We have received splendid cooperation from the Superintendents and men of the other Departments, when we needed their assistance. Our Superintendent and men have accomplished their tasks in a most satisfactory manner. For this we are sincerely grateful, and we wish to extend our thanks and appreciation.

Annual Report of the Civil Defense

December 21, 1953

During the entire year of 1953 the Staff members of Winchester Civil Defense Department held a meeting nearly every week to plan present and future C. D. activities. This staff consists of eleven Division Heads, including the Director and his Deputy. Officials of Federal and State C. D. spoke at a number of these meetings, and frequently moving pictures were shown depicting training procedures as recommended by Federal C. D.

In January plans were made for recruiting new members and for issuing identification cards and administering the loyalty oath. During February an "Open House" was held to further these activities, and photograph all personnel not having any official identity cards.

A test alert was on the March schedule. All divisions were alerted under simulated emergency conditions for the purpose of acquainting all members with their particular functions during possible disaster caused by enemy action.

It was found necessary to hold another "Open House" meeting in April similar to the one held in February, and in May, Winchester Department of Civil Defense participated in a State wide alert test. All streets were cleared of moving traffic and pedestrians were asked to seek shelter in provided areas. In the middle of the day our business, as well as that all over the State came to a standstill and the streets were deserted for 10 minutes. A critique of this operation helped to solve problems discovered as a result of the alert.

In May Director Lester C. Gustin Jr. found that he wanted to be relieved of the directorship due to pressure of business. With great regret the Selectmen accepted his resignation as of May 30. At the urgent request of the staff Mr. Gustin has retained his membership in C. D. and his continued help and advice has been most beneficial.

The writer, in his capacity as Deputy Director carried on the meetings during the summer and in September was appointed Director by the Board of Selectmen. He in turn appointed John T. Blanchard as Deputy Director.

During October plans were made for a continuation of the Blood Typing program, which resulted in 595 persons being typed in November. Previously over 1800 had been recorded — a total of 2400 approximately.

We have worked to enlarge the Auxiliary Fire Department and plans for this program have been developed toward the acquisition of an auxiliary fire truck which will serve the town as an efficient unit and be available for training. This plan is now in effect so that in the coming year we will have an augmented Auxiliary Fire Dept.

Our Auxiliary Police Department under the guidance and tutelage of

Sgt. Edward F. (Connie) Bowler of the Police Dept. is to be commended on its consistent attendance at weekly meetings. They have served the town throughout the year to great advantage, especially during the EnKa Street Fair, on Halloween, plus assistance at various congested traffic points.

The effectiveness of our communications division under Robert B. Richmond has been demonstrated in connection with several town problems and particularly on Halloween. Mr. Normand P. Phaneuf has brought the emergency feeding program to a very high point. In cooperation with Red Cross a first aid class slanted toward C. D. has been graduated under the direction of Sgt. Bowler. The Warden Division is still in abeyance. The Medical and Health Division, although it presently lacks a head, is capable of prompt action. Mrs. Ruth E. Hilton of Civilian War Aid has gone far toward solving the problems of registration and identification.

Two of our C. D. members attended the especially established C. D. Government training school in Olney, Maryland. Sherman Russell was enrolled in the Administration School and Roland Simonds the Rescue School. These men have brought back valuable information which in turn will be passed along to others in order to make our C. D. efforts better and more effective.

The Federal Civil Defense Administration is accelerating its efforts to make the population more conscious of the lack of preparedness, and is strenuously urging more citizens to take an active part in C. D. It is apparent that the point of view of the Government is changing more and more towards the value of experienced rapid rescue tactics, because of the calamitous natural disasters at Waco and Worcester and the enormous devastating force of atomic attack. It recommends and definitely urges all communities to organize Rescue Teams with proper equipment for liberating persons caught under fallen buildings and debris, and has designed a truck with all necessary equipment. This truck was inspected by our Selectmen, Fire Chief, C. D. and other personnel during December. It is our recommendation that such equipment be purchased, especially in view of the fact that the F. C. D. A. will pay for one half of the cost.

Report of the School Committee

Among the most important decisions of your School Committee during the past year was that of selecting a new Superintendent to replace Dr. Forbes Norris who resigned in May to take another position. We feel that the Town has obtained the services of an outstanding man in the educational field in its new Superintendent, Harry V. Gilson.

Many of our most pressing problems seem near solution by the action of the November Town Meeting in voting additions to the Junior High School which will make it a four year Senior High School. This will make possible a far better program within the High School through the expansion of programs in Industrial Arts, Music, Speech, Physical Education, Home Economics and Science, and the relief of crowded and outmoded conditions in all the classrooms. It will also give the Town a new auditorium seating 1200 and a gymnasium with an equal spectator capacity. When the next step of the program, namely, the modernization of the old High School is taken in 1955, the Junior High will at last have its own auditorium, cafeteria and full sized gymnasium.

Another important step to be taken this year is the addition to the Parkhurst School which will relieve a seriously overcrowded situation. By doubling the capacity of this school as we have done with Mystic and Washington, we will have a more efficient school organization and will be taking care of some of our future needs in one of our fastest expanding residential areas.

We have, however, to face the fact that our school loads are unevenly divided in some sections of the Town. New families moving into older houses have greatly increased the enrollments at Wyman and Mystic, so, that our class sizes in those areas are too large. At the same time, the proposed new parochial school will change the enrollment in Noonan School. Noonan and Lincoln show the smallest growth in recent years and now have some classrooms not being used for teaching purposes. It appears inevitable that the School Committee must plan this year to redistrict so that all our pupils may enjoy equally favorable conditions. This redistricting will be planned so that an equal class size and an economical use of our existing classrooms may be maintained generally throughout the Town.

Our new lighting, attractive colors in the classrooms, additional bulletin board space, tiled floors, and new movable furniture are making our older schools as pleasing in appearance as our newer additions. We believe firmly that our older buildings should in every way be brought up to the standards of new buildings insofar as possible, and our maintenance plans are made accordingly.

It may be of interest to the Town to know of some of the special services that are given to children through the schools. Where we are unable to provide certain services or types of education, we endeavor to find them in other communities and pay tuition for our students in these fields. Thus while a program of vocational education is not offered in Winchester, we

send six students to the Medford Vocational School, and one to the Essex County Agricultural School in Hathorne. Six of our students who suffer from serious speech defects are sent to the Boston University Speech Clinic once a week, and their parents and teachers carry out special programs designed by the Clinic to help them at home and in school. Physically handicapped children are given special lessons at their homes by our teachers, and those mentally retarded receive help either by our own teachers or in special schools.

Herein lies the great value of public education, that we shall try to help all of our children to achieve the best that is possible according to their capabilities. Each grade contains children who vary as much in their mental capabilities as they do in their physical characteristics. We are constantly seeking ways and means to meet the educational needs of each child within the framework of the class. An individualized testing program helps the teacher to determine those needs; a well planned group program goes far towards meeting them. We urge every citizen of the Town to visit the classrooms and to see the changes and improvements in methods that are now in use. We believe that your knowledge of what we are doing will develop your understanding, approval and support of our educational policies.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

The most precious resources of this Nation are its human resources. This applies particularly to the boys and girls who, in our schools today, are preparing to become the citizens of tomorrow. In Winchester, as in any community, it is the function of the public school to provide a program of education that will prepare these young people to be intelligent and responsible citizens. It is the purpose of this report to review briefly the operation of our schools in terms of this objective.

The three most important factors in the operation of a school system are the educational program, the personnel and the facilities. It is to these factors and to the cost of operating schools that this report pertains.

Along with the plans completed this year for the construction of new secondary school facilities, plans have also been developed for expansion of the program of studies at the high school level, particularly in the field of industrial arts and pre-vocational education. Together with courses now offered in wood-working, mechanical drawing, graphic arts and general metal work, the new program will provide instruction in power mechanics, electricity and electronics. These courses will be designed and scheduled so as to offer to all who are interested the opportunity to acquire skills and knowledge that will be of personal use and general educational value. In

addition, there will be for those who choose careers in these fields, advanced courses designed for pre-employment training. The staff of the Industrial Arts Department has been active in the formulation of this program which will be available to both college and non-college students and to girls as well as boys.

Since competence in reading, writing and speaking the English language is, as always, the most essential single phase of public education, it is essential that continuous effort be made to improve this program.

A committee composed of staff members is at work on a broad study of the English curriculum in our schools. The purpose of this study is to evaluate the program in all its phases from the elementary grades through senior high school. From this study information should be obtained that will pin point possible areas in which instruction in English can be made more effective.

A school system, to be conducted on a sound basis, should make provision for reasonably frequent and accurate evaluations of its accomplishments. Furthermore, to educate each child as an individual requires that those who teach should know each child, particularly his general ability and his achievement. This information can be obtained only by means of a comprehensive testing program such as was recommended by Dr. Fowlkes in his report on the survey of the Winchester schools. For more than two years a committee of staff personnel has been at work on the construction of a system-wide program of testing. Preliminary findings of this committee suggest that the present program be expanded to provide at regular intervals, objective tests in scholastic aptitude and educational achievement for all pupils, supplemented by diagnostic and aptitude tests. It is anticipated that a considerable portion of this testing program will be put into effect during 1954.

Of all the factors that combine to make a good school system, teaching is by far the most vital. Winchester has been fortunate in its ability to employ and to hold in service highly competent personnel. Under present conditions, however, recruiting capable teachers as they are needed is the greatest single problem in the operation of schools. There are several reasons for the serious shortage of teaching personnel. The rise in birth rates beginning in the early 1940's has greatly increased the number of teachers needed in our schools. General employment demands create keen competition for the services of young college graduates. The differential in salaries paid Winchester teachers has been narrowed considerably as other communities, feeling the pressure of the teacher shortage, have raised their salary schedules. Higher taxes and living costs also have tended to lower Winchester's competitive position in recruiting capable teaching personnel. For as long as these conditions remain, capable teachers will be obtainable only by means of more intensive recruiting and a salary schedule that compares favorably with that maintained by communities whose educational standards and financial status are comparable with those of Winchester.

Certain matters pertaining to school facilities not reported elsewhere must be mentioned in this report. These relate primarily to enrollment problems in our elementary schools. In three of our school districts, Mystic,

Wyman and Parkhurst, enrollments have steadily increased to the point where these schools are at present seriously over-crowded. Conditions in the Parkhurst School will be relieved if and when the class-room addition is built. Mystic and Wyman Schools, however, already have enrollments of approximately 430 or an average of about 31 pupils per room. In fact certain classes in these schools have as high as 36 and 37 pupils. Such conditions vary considerably from the standards established by the Winchester School Committee several years ago which provide for a pupil-teacher ratio of 25 to 1 in the elementary schools. On the other hand, school enrollments in the Washington, Noonan and Lincoln schools are considerably lower with pupil-teacher ratio in, some instances, as small as 18 to 1. There is, too, at least one room in each of these schools not now being used as a class-room.

Obviously such conditions tend to penalize both the pupil and the teacher and constitute an inefficient use both of school facilities and teaching personnel. Since there is every indication that the schools already badly overcrowded will receive more pupils next year, while other schools, particularly Noonan and Lincoln, may have even fewer pupils, steps should be taken to adjust enrollments more evenly among the six elementary schools.

It will be noted from statistics shown elsewhere in this report, that school costs have increased rather extensively during the past several years. Reasons for these increases involve general inflationary conditions together with an increase in school population which in 1954 will be almost one-third greater than in 1945. Another cause for higher school costs is the expansion of educational services in our schools since 1945. Among those programs which have shown the greatest development are Industrial Arts, Home Economics, Counselling and Guidance, Speech and Dramatics, Music, Art and Physical Education. The effect of these developments has been to give the children of Winchester a comprehensive program of education on a par with that offered in the best school systems in the country, and designed to prepare the pupils as adequately as possible for their individual and diversified careers. Your teachers, supervisors and administrators are convinced of the need and value of such an educational program, recognizing, meanwhile, the responsibility incumbent upon them to so operate the schools of Winchester that for every dollar spent the pupils will receive a dollar's worth of education.

I am most appreciative of the splendid support of the School Committee, the staff, the Mothers' Clubs and the many citizens and civic groups whose co-operation has been so valuable in the work of the schools.

SUPPLEMENT TO FOLLOW-UP REPORT CLASS OF 1953
WINCHESTER HIGH SCHOOL

Drop-Outs

A comparison of the class lists of the Class of 1953 between the times of entrance and of graduation gives a group of 18 new members to the class and 65 pupils who left the group. There were also 30 other pupils who entered the class at some time during the four years, but again left the group, so their presence had no effect on the over-all change in sizes; therefore, that number has not been included in the statistics.

There were 240 members (127 boys, 113 girls) of the class as freshmen. A total of 193 (96 boys, 97 girls) were graduated in June, 1953.

The following tables show the distribution of drop-outs over the four-year period. (Percentages are based on the size of the class at grade 9 level.)

Exhibit V
ANNUAL REPORT
MEDICAL DEPARTMENT
WINCHESTER PUBLIC SCHOOLS
SEPTEMBER 1952 - JUNE 1953

A report of the Medical Department for the school year 1952-1953 follows:

A. Annual Physical Examinations:

1. Annual physical examinations:

Physical examinations were begun soon after the opening of school. Doctor Frederika Moore completed examination of all the Junior and Senior High School girls by October 1, 1952.

Tabulation of Examinations:

Schools	No. Exams	Major Defects	Corrected under treatment or improved	Minor Defects	Corrected under treatment or improved
Senior High Boys	229	12	8	35	28
Senior High Girls	400	170	84	341	18
Junior High Boys	75	10	3	40	23
Junior High Girls	180	71	27	111	18
Parkhurst	191	4	7	45	12
Mystic	85	10	11	90	49
Washington	88	8	4	49	23
Noonan	71	14	8	30	25
Lincoln	90	8	10	78	26
Wyman	154	9	1	85	53
Totals	1563	316	163	904	275

In comparing last year's totals, you will find that there were approximately 1000 fewer pupils examined. This, of course, is due to the new regulations advised by the Massachusetts State Department of Health.

Grades 1, 4, 7, 10, 12 are included in this report with the exception that all the girls in the Junior and Senior High Schools were done. Dr. Moore has decided to do all girls annually.

In addition to the above, there were 100 special examinations which included new students and those of the previous year who showed defects requiring correction.

2. Parents present at examinations:

There were 59 parents present at the examinations of Elementary School pupils. The decrease in number over last year is attributed to the fact that only two classes, i. e., the 1st and 4th, were examined and therefore the number of parents was limited.

3. Notices to Parents:

There were 36 separate notices sent to parents exclusive of those sent out relative to ear and hearing defects.

B. Pre-School Examinations:

Pre-school examinations of children entering school in September, 1953 were held during the month of May and the following numbers at the schools are tabulated:

Noonan	25	Lincoln	30
Washington	28	Parkhurst	23
Wyman	17	Mystic	20

The comparative figures for the two previous years is noted as follows:

1950-1951	99	1951-1952	114	1952-1953	143
-----------	----	-----------	-----	-----------	-----

C. Communicable Disease Control:

The incidence of communicable diseases continues at a low figure. There were no serious cases except for the usual scattered scarlet fever conditions. All classes exposed to this fever received the routine seven-day inspections.

Tuberculosis control — We were able to have the Junior class, along with several teachers, janitors and cafeteria help, examined by the Mobile X-ray Unit.

Number examined:

Junior class pupils	160
Teachers, janitors, cafeteria help	10
Total	170

There were no positive cases of tuberculosis found and all examined were given certification indicating the result.

D. Massachusetts Vision Test:

The Massachusetts Vision Test was performed by the School Nurse and the following tabulations are noted:

School	No. Examined	No. of defects
Junior High	195	6
Mystic	127	5
Lincoln	70	0
Wyman	159	14
Noonan	57	2
Parkhurst	48	4
Washington	80	1
	736	32

The parents of the 32 pupils found defective were notified by mail.

E. Pure-Tone Audiometric Test:

The Pure-Tone Audiometric Test was completed on 727 pupils. Of

these, only 8 were found to be defective and their parents were properly notified.

F. School Nurse:

Mrs. Ethel Savage, the School Nurse, became ill during the latter part of 1952 and after about 6 weeks of treatment was able to resume her duties. She accomplished, in addition to the Massachusetts Vision and Pure-Tone Tests, the following duties during the school year, 1952-1953:

School Visits

Notices to Parents

Classroom Talks

First-Aid

Inspection of Pupils

Sanitary Inspections

Consultations with Parents

Conferences

G. Dental Health:

There were 549 treatments given at the dental clinic to Elementary School pupils during the year.

As has been the record in the past, the major defects in school children are primarily dental.

There still remains much to be done in the correction of dental caries in the Elementary School pupils.

H. Health Instruction:

In addition to the Health Instruction given at all the school levels, Health Talks given by Mrs. Savage to the Elementary School pupils numbered 354 during the school year.

These talks have been well received and the comments by the Principals have been most favorable.

I. Athletic Program:

Examinations of all football candidates, prior to their participation in activities, were completed in August, 1952. No aspirants were rejected. During the school year, all sports included, there were 4 major injuries. Fortunately, all recovered fully.

The Athletic Insurance Coverage has been satisfactory to date and should be retained.

J. Additional Duties of School Physician:

1. Availability throughout the day for school emergencies.
2. Consultations with teachers, parents, principals.
3. Sanitary Inspection of schools.
4. Examinations for work certificates.
5. School Lunch survey and food handlers inspection.
6. Attendance at all football games.
7. Conference with school committee.

Respectfully submitted,

WILLIAM D. BARONE, M.D.

Report of the Building Survey Committee of the Town of Winchester

TO BE MADE AT

THE TOWN MEETING IN MARCH, 1954

The Building Survey Committee was established by the following vote passed at the adjourned session of the annual Representative Town Meeting of the Town of Winchester, Massachusetts, of March 12, 1953, held on March 30, 1953:

VOTED: That a committee hereby be established, consisting of a member of the School Committee chosen by it, a member of the Board of Selectmen chosen by it, a member of the Board of Library Trustees chosen by it, and two citizens of the Town to be appointed by the Moderator, and to be known as the Building Survey Committee, for the purpose of studying the necessity or advisability of making an engineering study and survey of the physical and structural conditions, as well as safety, of town-owned buildings in which the general public has access. The Committee shall make its report so that it can be acted upon at a subsequent Town Meeting. In the event of a vacancy it shall be filled by the respective appointing authority.

After analyzing the above vote, the Committee felt that in order to fulfill its obligations, a survey of a physical plant should include the heating and ventilating systems, the electrical and plumbing facilities, and the physical structure, as well as the inadequacies of the plant and building in regard to safety. It must be pointed out, however, that it is beyond the ability of this Committee to conduct a thorough and detailed investigation of the structural soundness of these buildings, and safety of the electrical systems. This would involve a great deal of expense and the use of complex and expensive equipment.

It was agreed, in keeping with the vote, that the following buildings should be included in this survey: The Town Hall, Fire and Police Stations, the Library, the Junior and Senior High Schools and the six Elementary School buildings. The Town Yard, and the Sewer and Water Buildings on Lake Street, and other town-owned buildings not included above, were omitted from this study, since it was felt that the general public would not have access to these buildings.

The Junior High School building was later removed from the above list when on November 12 the Town, by vote, decided to spend the necessary funds for an addition to this building for use as a four-year High School. The Committee also assumed that the expenditure of this money committed the Town to a future expenditure to renovate the present High School for use as a two-year Junior High School, and therefore the building was deleted from the survey.

The Wadleigh Building was also taken from the list, since it was felt that upon completion of the High School and Junior High School projects this building would again be closed, or transferred to another department in the Town for other uses. This would require complete renovation and extensive repairs.

The Parkhurst School was also deleted from the survey, when on November 16 the Town appropriated a sum of money for architect's fees to make working drawings for a six-room addition.

In order to make a complete and adequate report to the Town, the Committee then visited each of the nine buildings that are included in the survey. These visits were made with the proper custodian, or authority, in charge of each of the buildings. The buildings were all found to be in generally good condition. Roofs had been repaired upon the first sign of a leak, and had been replaced when deterioration had created increasingly high annual repair costs. Gutters and down spouts had been maintained in the same manner. Interior decorating had been maintained on a fairly regular schedule, and in no instance was neglect noticed. The floors, with a few exceptions, were found to be sound and in good repair. The heating plants in some of the buildings were a cause of great concern, and certain recommendations will be made later in this report.

In view of the excellent maintenance program in regard to these buildings, it is agreed by this Committee that we can safely conclude that the buildings are structurally sound and the electrical circuits in good condition. The one structural failure that this Committee could recall was in the Town Hall at the time of the Winton Club affair this past year. This failure has been taken care of to the complete satisfaction of this Committee.

After a satisfactory inspection was made, it was the unanimous opinion of the Committee that it is not necessary to have a complete engineering survey of the town-owned buildings made at this time. We do, however, wish to make certain recommendations, and advise that some of the older heating plants be given immediate attention.

The Town Hall was found to be in good structural condition for a building 67 years old. The entrance platform of this building consists of large slate slabs. The joints of these slabs have opened up, and water is therefore getting down through to the supporting steel structure. These steel members and the platform should receive attention as soon as possible. Some of the leakage is probably due to the fact that the slabs pitch in toward the building, instead of out for drainage purposes. The General Meeting Room on the second floor was found to have no emergency exit, and it is felt that in the case of a flash fire in the lower lobby or stairwell persons in this room would be in a dangerous position.

The physical condition of the Town Hall, however, is very poor. It is the feeling of this Committee that if this building is to continue in use for many more years some consideration should be given to a complete renova-

tion of the interior. Installation of adequate lighting, acoustical ceilings, proper ventilation, and a complete interior redecoration would not only make it a more enjoyable place to work, but should be considered from a viewpoint of maintenance.

Considerable credit should be given to Chief Callahan and Chief Harold for the excellent condition of the Fire Station and Police Station. The concrete outside ramp at the Fire Station was found to be deteriorated, and it is the opinion of this Committee that it should be repaired or replaced. The doors to the Fire Station are old-fashioned swinging doors, and it is the suggestion of this Committee that modern overhead doors should be installed to give quicker access and additional room to the Fire Department. One spot on the main concrete floor where the fire engines are stored was found to be in such condition that the soil has washed away from under the slab, and has left the floor suspended and subject to punching through by a heavy wheel action.

The Library was found to be in very good shape structurally, and in regard to general maintenance. From the records we were able to obtain, we conclude that the present heating plant is very expensive, and on some occasions inadequate to heat all portions of the building satisfactorily. The lighting in the Main Reading Room and the Art Gallery was found to be most inadequate for this type of building, and a light meter gave a maximum reading of 5 foot candles in the main room, and the light meter gave no reading in the lobby and Art Gallery. If an addition is to be made to this building in the near future, any changes in the heating plant could be postponed to that time. It is recommended, however, that the lighting condition be remedied as soon as possible.

The five elementary school buildings inspected were in good repair and general maintenance. Three of these buildings are still using coal-burning boilers that range in age from 27 years to 31 years. It is the feeling of this Committee that when a boiler reaches this age, serious consideration should be given to its possible replacement. Following the inspection of the Lincoln School Building, one of the boilers was found to be in such state that serious damage was avoided only by careful and quick action. The School Committee immediately retained the services of the Hodge Boiler Co. and had these boilers, as well as those of the Wyman and Noonan Schools, inspected. It was the recommendation of the Hodge Boiler Co. that the boiler in the Lincoln School be replaced at the close of this heating season, and that the boilers in the other two buildings be replaced in the near future. This Committee concurs with that recommendation.

In the Noonan School many of the floors were in such a state that it would be advisable, from a safety as well as a structural standpoint, to replace them. Two classroom floors in the Wyman School were in a similar condition. The auditorium floor of the Noonan School was found to be unsafe in some places, due to a rotting condition of the underneath timbers.

Roofs of the Mystic, Washington, and Noonan Schools on the older structures were found to be in such condition that they are creating in-

creasing repair costs each year. We recommend that the Town support the projected plan of the School Committee to replace these roofs in the next few years.

The westerly entrance of the Wyman School is in a position where snow-slides could be dangerous to people entering or leaving the building. This condition could be remedied in the same way as the front entrance of the same building. In general, the entrances were free from hazard, except at the Lincoln School, where the area is closed off each winter.

With the exception of the Town Hall and Library, most of the buildings showed signs of requiring spot pointing of the exterior walls within the near future. However, the structures had been maintained very well, and seemed to be sound.

We realize that our commission was complete when we made the original recommendation in regard to obtaining professional services. Since our recommendation was negative, we felt we should include in this report certain of the maintenance and repair problems that came to our attention, as well as some of the safety measures we felt necessary. A report of this type can have some value to the Town, if only to bring to the attention of the residents the condition of our buildings and the policy that is adopted in regard to maintenance and repairs. The Town buildings inspected by this Committee are in very good condition, and much credit should be given to those in charge of seeing to this work.

Report of the Horn Pond Brook Com.

At the Town Meeting held March 26, 1953 it was voted that a committee of three citizens of the Town be appointed by the Moderator to study the subject matter of Article 38 of the Town Warrant, "To see if the Town will authorize the construction of a fence on the shores of Horn Pond Brook in the general area of Sylvester Avenue and Canal Street and appropriate money therefor to be expended under the direction of the Park Department. (Park Department)."

On June 5, 1953 the committee was appointed and on June 9th an organization meeting was held at which Mrs. Elizabeth C. McDonald was elected Chairman, Kenneth S. Hall, Secretary and John A. Maynard in charge of Publicity. At this meeting a general discussion of the Article developed the fact that the committee was unanimous in thinking that a fence was not the answer to the problem. However, we felt that something should be done to protect the many small children in the locality and also to prevent the flooding of cellars up and down the brook.

On June 15th, the committee perambulated the brook along its entire length. The source of the brook is Horn Pond in the City of Woburn. On contacting the Woburn City Engineer it was found that the starting point of the brook was absolutely the lowest spot in the circumference of Horn Pond and that the overflow of said pond could not be changed. For several hundred yards the brook flows through territory that has not been developed and then bends under Sylvester Avenue and Canal Street and thence beside the town buildings on Lake Street and into Wedge Pond. The bridges at Sylvester Avenue, Canal Street and Lake Street were built with a twenty foot span, but in very few places is the brook that wide. Silt that has been carried down, crumbling banks and rubbish have filled in the brook so that it is not capable of carrying the spring floods.

In the course of investigation it was found that there is an Inland Waterways Division in the State Department of Public Works, which, under Chapter 91 of the General Laws as amended by Chapters 516 and 524, Acts of 1950, undertakes work of this nature and assumes half of the cost. We appealed to our fellow townsman Mr. John A. Volpe, Commissioner of the Department of Public Works, and on August 14th an engineer of the Inland Waterways Division, Mr. Graf, and members of your committee went over the brook. Mr. Graf stated that he would return in a few days in his work clothes and thoroughly investigate the bed of the brook before submitting a report.

On this trip along the brook it was found that in the construction of the Metropolitan Sewer, which in many places parallels the brook, the contractor in levelling off his work had filled in the brook so that in some places it was not over five feet wide.

We quote from the report received from the Department of Public Works:

"This letter is in reply to your request for advice and information regarding improvements to Horn Pond Brook in the Town of Winchester.

Your committee raised the question as to the possibility of piping the brook from the Woburn line to Wedge Pond. We do not believe that this is feasible. It is believed that the most reasonable solution would be to excavate an open channel except in the vicinity of Sylvester Avenue where approximately 400 feet of concrete conduit could be constructed.

The approximate cost of this work is estimated to be \$20,000.00 for the open channel plus \$30,000.00 for the concrete conduit."

Conclusion:—Horn Pond Brook is a distinct menace to the many small children living in this section. In the past few years several children have been pulled out of the brook. Fortunately, there has been no loss of life. In the summer the brook is practically dry with pools of stagnant water which are breeding places for mosquitoes and other disease carrying insects. In the spring a large area is flooded and many houses have to run sump pumps from four to eight weeks to keep their cellars reasonably dry. In addition the Fire Department is called several times to pump out cellars when the water has reached the depth to put out furnace fires.

This is a condition that should not exist in any town and your committee will enter an Article in the Warrant for the March Town Meeting recommending the construction proposed by the Department of Public Works. In the near future as more houses are built and the Park land lying between Middlesex Street and the brook is developed, the concrete conduit will have to be extended the entire length of the brook.

Report of the Planning Board

Winchester, Massachusetts

December 30, 1953

The Planning Board submits its thirty-ninth annual report.

TOWN PLANNING AND ZONING

At the Annual Town Meeting of March, 1953, the Planning Board advocated a number of articles relating to town planning and zoning, in accordance with the report of our consultant, Mr. Allen Benjamin, which had been printed with our Annual Report for 1952. The Town Meeting acted favorably upon our recommendation of a vote to acquire a parcel of land at the corner of Johnson Road and Ridge Street for a recreation area and for possible school use should growth of the town eventually require it. The Town Meeting also acted favorably upon our recommendation (as amended during the course of the meeting) for the acquisition of further land to be added to the present West Side Playground and upon our recommendation of an amendment of Winchester's zoning law by the addition of provision for a type of district to be known as a Limited Business District. The Town Meeting declined, however, to accept our recommendation that an area of land in the vicinity of the intersection of Lockeland Road and Ridge Street be zoned for limited business and the Town Meeting also acted unfavorably upon our proposal for the acquisition and construction of a new public parking lot on land adjacent to the Boston and Maine right of way between Common Street and Rangely. This Board believes strongly, however, that proper development of Winchester requires added parking facilities in or near the center of town and the making of provision for a local shopping center to serve future residential growth of the western section of town. The recommendations made by us at the March, 1953, annual meeting represented and still represent our best judgment as to the most suitable areas for these needed civic improvements. We shall continue to study alternative areas, however, and in the meantime would welcome any suggestions which our fellow citizens may have on these or any other problems of town planning, such as the problem of a suitable site for a future elementary school in the Lockeland Road area.

Two further questions relating to appropriate land use which we have been studying are (1) possible zoning changes from industrial or business use to residential use, and the reverse, and (2) the most economically sound development of the land lying to the north of Mt. Vernon Street in back of the fire and police stations, in the area of Winchester Place. We shall expect to have specific recommendations on these topics to present to the annual meeting in March, 1954.

DWELLING HOUSE CONSTRUCTION

In accordance with previous practice we include here a table of permits for new houses granted by the Building Commissioner in 1953, through the

date of this report, broken down by precincts, with comparative figures for the previous four years:

SIX YEAR PROGRAM OF PUBLIC IMPROVEMENTS

The Planning Board presents for the fifteenth consecutive year its report on the six year program.

We have included in Table I the usual schedule of public improvements proposed by the various Boards and Committees and have added as a future improvement our recommendation of a second fire station to be constructed on the land voted at the 1953 annual town meeting to be acquired for this purpose. We feel that the construction of a new fire station should await the expiration of a long enough period after completion of the grade crossing elimination project to determine the appropriate size and facilities of such a station in the light of such new traffic patterns and residential construction as may develop.

Now that the bond issue for the enlargement of the present Junior High School has been voted, the only indefinite figures with regard to immediate school construction which remain relate to the renovation of the present High School building for use as a Junior High School and to the enlargement of the Lewis Parkhurst School. The figure of \$300,000. is estimated for 1955 expenditure on modernizing the present high school and the figure of \$225,000 is estimated for 1954 expenditure on the Parkhurst School.

GRADE CROSSING ELIMINATION

Having for many years recommended the elimination of the grade crossing in Winchester Center, the Planning Board is happy now to be in the position of reporting (as if it were not well known!) that the transfer of \$190,000 from the Excess and Deficiency Account, voted by the special town meeting in October, 1953, as Winchester's total contribution to the cost of the project (including a diversionary highway to carry through traffic away from the Center) has been approved upon referendum. We feel that the dislocation, particularly in the Center, which will accompany construction will be far outweighed by the very great improvement which this combined project will bring to the Town.

"NEW LAW" PLANNING BOARD
(SUBDIVISION CONTROL)

By vote of the 1953 Annual Town Meeting, Winchester accepted General Laws Chapter 41, Section 81A-Y, the principal effect of which is to give this Board a measure of control over residential subdivisions. A large part of our efforts during this past year has been devoted to working out, with our consultant, Mr. Allen Benjamin, a set of rules and regulations relating to subdivision control which would be fair to developers and at the same time would protect the interest of Winchester home owners in the proper development of their town. A number of changes were made in the subdivision control law by Chapter 674 of the Acts of 1953, which became effective October 2, 1953, and these changes have been reflected in our Rules and Regulations which have recently been adopted and which are available to any citizen upon request.

The past year witnessed continued service to the Town by the Public Library. It has become a true cultural center, as it should be and as its Trustees have sought. Its Jere A. Downs Room with its record collection and weekly phonograph concerts caters to those seeking good music; the Art Gallery, with its art exhibits and its classes furthers interest in art; the library proper through its books and reference librarians seeks to bring to citizens young and old the services and satisfactions that books can bring; the Edgar J. Rich Room meets a specific need of those with interest in American history. The Art Gallery brings to youngsters educational movies and is in constant use for meetings of civic, cultural or educational character. The library carries its services to the community through its School and Hospital Library efforts.

During the past year the Trustees authorized a new system for handling overdue books. The higher schedule of fines adopted was not designed to gain revenue for the Town's Excess and Deficiency Account, but rather to induce prompt return of books so that they might be available to others

desiring them. This objective has been attained and the number of lost books has been materially reduced.

The Trustees are gratified that the Wage and Salary Committee recommended and the Town Meeting at its special session adopted a higher salary schedule for the Professional Staff. Such a raise was needed to maintain the morale of the Staff and to help the Town to retain the services of an able and efficient group of professional Librarians.

The Trustees have taken an active interest in the Massachusetts Library Association, all are members and Mrs. Langley Keyes is serving as Second Vice-President of the Association.

In the period ahead the Trustees will have to come to the Town for support of various needs, some of which are becoming very pressing. Many of these have been discussed in past reports, and are given only brief mention. They are:

- (1) Overhaul of the heating and air conditioning system, which has become inefficient.
- (2) Installation of new lighting fixtures in the reading room, foyer and art gallery. Present lighting completely inadequate by modern standards.
- (3) Microfilming of newspapers and purchase of a viewer, — needed to preserve historical records, reduce bulky storage and reduce long range costs.
- (4) Conversion of heating system to oil. Will give greater efficiency and lower costs.
- (5) Building additions. Additional stacks, an enlarged Children's Room and Gallery and a quiet Reading Room cannot be much longer delayed.

At the end of the past year, Mr. Francis E. Smith retired from the Board after serving for over thirty years. During most of this time he was our efficient Secretary. The Town is greatly indebted to this public spirited man for his devoted service to the Library. He played an important part in bringing to Winchester a Library of high professional standards.

Again the Trustees acknowledge their indebtedness to the able and loyal staff working under Miss Corinne Mead, Head Librarian.

REPORT OF THE LIBRARIAN

To the Board of Library Trustees:

(Due to the illness of the Librarian the following report is submitted for her.)

The most outstanding improvement to be found in the Winchester Public Library in 1953 was that of the new working area desk in the Children's Library made by the John E. Sjostrom Company. This handsome piece of furniture was built and designed for efficient service. With additional space for movable charging trays and desk supplies, a built-in area for the Gaylord Charging Machine, and more counter and working space it makes it possible now for more than one person to service the children's needs at one time. This has been of invaluable assistance to Miss Elizabeth Russell, the Children's Librarian who has worked with tireless effort to make the Library a stimulating center for Winchester children with her story hours, summer reading clubs, music hours, book reviews, special book week activities, and original and novel ideas of interest to the children on each special holiday and throughout the year.

The educational film programs for children every Saturday morning are increasingly popular as well as the Family Night at the Library on Friday evening. In order to continue these educational and recreational services to our families and children it is necessary that in 1954 we replace our old motion picture projector.

Music Day at the Library was continued with recorded music played every Wednesday afternoon and evening in the relaxing and beautifully furnished Downs Room of the Library. The fall program was begun with an "Open House and Music Day at the Library". Many Winchester people enjoyed seeing and hearing Ignace Jan Paderewski playing in his famous film "Moonlight Sonata" and were grateful to have the opportunity to visit with the Trustees and Librarians and look over the Library from top to bottom. The Jere A. Downs Memorial Room with its opportunities for listening to good music or enjoying beautiful art books, the Family Room, the brightly painted Children's Room, the Edgar J. Rich Room with its valuable collection of books about Lincoln and Lee, and the outstanding collection of business and technical books and materials for reference and circulation were the highlights especially to many who had never browsed beyond the latest fiction alcove. Refreshments, made possible through the Jere A. Downs Trust Fund, were served both in the afternoon and evening.

Because of the ever increasing growth in the Library it will be necessary this coming year to add shelf units to house many of our current periodicals and our business and technical books.

The library service to the patients of the Winchester Hospital has increased rapidly since the completion of the new wing. The Hospital Library is now located on the third floor solarium. New built-in book cases have been added with an eye for future expansion. There were 1500 books circulated this past year by Miss Pearl E. Gammans, of the Library Staff and her En Ka Volunteer Library Aids. Miss Gammans has added much to the reading enjoyment of the patients with attractive book marks and pamphlets and may be found any Tuesday afternoon pushing the En Ka book

truck from room to room wearing her attractive jacket with the new arm patch accepted as the official insignia of Institutional Librarians of the Massachusetts Library Association.

All members of the professional staff attended meetings of the Massachusetts Library Association this year finding them stimulating and well worthwhile.

In addition to the many gifts and courtesies received from our townspeople to the Library and staff we wish to thank Mr. Abraham Korn of the Winchester Appliance Co. who made it possible for many of our Winchester residents to watch the inauguration of President Eisenhower on television at the Library.

Miss Corinne Mead, Chief Librarian, wishes her thanks expressed to the Board of Library Trustees, Staff, the Building Superintendent and his Assistant for their cooperation and conscientious and efficient work.

We in turn wish to take this opportunity to thank her for her inspiring and considerate leadership.

Respectfully submitted,

DORIS M. PHILBROOK

Assistant Librarian

Report of the Board of Public Welfare and Bureau of Old Age Assistance

Your Board of Public Welfare and Bureau of Old Age Assistance administers aid to four categories of assistance: General Relief, Old Age Assistance, Aid to Dependent Children and Aid to Permanent and Totally Disabled Persons. The last three are Federal programs and are administered by your Board under regulations of the Federal and State Governments.

General Relief

Six cases were being aided on the weekly aid payroll as of January 1, 1953. There were eight applications for assistance under this category during the year. Four cases were transferred to another category, four were of a temporary nature and returned to employment. One family was cut off from a weekly income they had been receiving and through the efforts of the Welfare Department the income was restored. One case was found to be ineligible for any assistance.

During 1953 we had three children in foster homes and three persons were receiving board and care at the Tewksbury State Infirmary at the expense of the Town. The cost of several cases with legal settlement in Winchester being aided in other Cities and Towns, was unusually large in 1953.

All the cases, regularly aided under General Relief were unemployable due to old age or illness and were not eligible for any other category of assistance. The expense of General Relief is borne almost entirely by the Town.

Old Age Assistance

On January 1, 1953 there were 120 active cases receiving Old Age Assistance. During the year we had 29 new applications and reopened 2 cases. Six of these applications were denied, one was withdrawn. Twelve recipients died in 1953, two moved from the State and six were closed for various reasons. As of December 31, 1953 we had 125 cases, a net increase of five. The average cost per case for 1953 was \$65.99 per month, while the statewide average was \$73.53. We had 297 hospital days paid from Old Age Assistance in 1953. Hospital costs have been increased from \$12 per day to \$14 per day commencing January 1, 1954, by legislative act. We have had several recoveries under the Property Lien Act which was provided for in Chapter 801 of the Acts of 1951.

Aid To Dependent Children

This is a Federal assistance program for children to the age of eighteen, designed to permit them to live at home with parents or relatives rather than being placed in foster homes. As of January 1, 1953 we were aiding 8 families with 18 children. There were six applications during the year. Four cases were approved, two were rejected, two were closed because of suf-

ficient income and one is pending at the close of the year. We ended 1953 with 9 cases and 26 children. The cost of administering this program of assistance in 1953 was less than anticipated. Because of anticipated case load increase, together with increased medical costs, we believe the cost of the program will be much higher in 1954 than it was in 1953.

Aid To Permanent And Totally Disabled Persons

As of January 1, 1953 there were 5 cases receiving assistance under this category. During the year four new applications were received. One was sent to an institution before the application could be processed, two were approved and one was approved to commence payment in 1954. Seven cases were being aided as of December 31, 1953.

Summary

In the Federal programs of Assistance the Federal and State Governments bear the greater share of the total cost. In Old Age Assistance the town's share is approximately 16%, in Aid to Dependent Children 37% and in Aid to Permanent and Totally Disabled Persons 25%.

The cost of medical care for all categories is increasing each year. A new medical care plan recently issued by the State Department of Public Welfare indicates that medical costs will increase in 1954 with much higher increases in the years to come.

The Board wishes to express its deep appreciation to the departments in our Town Government for their cooperation during 1953 and to the other Agencies within the Town who helped us, both with finances when needed and their advice and counsel.

The following figures summarize expenditures and reimbursements and show the amounts received from the Federal and State Governments and the net cost to the Town. The figures are approximate, the detailed statement appearing in the report of the Town Accountant.

	General Relief	Old Age Assistance	Aid to Dependent Children	Aid to Permanent & Totally Dis. Persons

Report of the Winchester Water and Sewer Board for the Year Ending December 31, 1953

WATER DEPARTMENT**Established 1872****Eighty-first Annual Report****SEWER DEPARTMENT****Established 1893****Sixtieth Annual Report****James F. Dwinell, Jr., Chairman****Erskine N. White****Elwell R. Butterworth****James D. Halwartz, Superintendent****C. Norman Noonan, Water Registrar**

As anticipated, 1953 was another busy year for the Water and Sewer Departments. There were installed 5,327 feet of water mains, making a total of 72.26 miles of pipe in the system. There were installed 8,239 feet of sewer mains, making a total of 58.83 miles of pipe in the sewer system. 167 water services were installed, making a total of 4584 services. 139 sewer services were installed, making a total of 4250 services.

Rainfall amounted to 50.66 inches which is 11.09 inches more than reported in 1952. With all this rain, the summer was very dry and is reflected in the revenue from water bills which amounted to \$94,038.00 as compared to \$86,481.00 in 1952.

The sewer assessment for 1954 will be made at the rate of \$5.71 per foot of sewer built. One-third of this is borne by the Town and two-thirds by the property bettered.

Miss Mary Travers, Water Registrar for the past eleven years, retired in June and Mr. C. Norman Noonan was appointed Water Registrar. Mrs. Helen Sanger, office clerk, resigned and was replaced by Mrs. Janet E. Manzie in September. Mrs. Alice Dempsey, office clerk, accepted a position with the Town Accountant in August.

Report of Cemetery Commissioners

During the past year we have continued in our attempt to improve the general appearance of the cemetery.

More walks have been resurfaced, a number of lots have been regraded and seeded. We have started work on the trees and plan to do a portion each year until the entire area has been covered.

Our new truck was delivered in June and will be available to the Town during the Winter for snow removal work.

Our Superintendent and his men have performed their duties well and to the various Town departments we wish to extend our thanks for services rendered.

This year we have received \$4,400.00 from the sale of lots and \$4,200.00 for the Permanent Care of Lots.

During the year there have been 97 Interments.

Report of the Winchester Board of Health

The Board would like to recommend careful study of the statistics of its activities that follow on the next few pages. They tell the story of its year's work.

Particular attention should be given to the chart on Communicable Diseases as their prevention is one of our principal concerns.

Attendance at the several clinics operated by the Board has been very satisfactory. We recommend particularly the reports of the Health Nurse, Mrs. Alice Murray and of the Dentist, Dr. Roy Y. Raymond. Their work is most necessary and greatly appreciated.

The Board conducts Dog Clinics for the purpose of inoculating dogs against Rabies. Rabies is a dread disease and can be transmitted to humans. These clinics are well advertised, but as we have reported in other years only about half of the dog owners avail themselves of these opportunities.

Attention should be called to a few trouble spots in town. The Board investigated complaints in Dunster Lane and Ridge Street areas. It is our opinion that these conditions can only be corrected by extensions of the town's public sewer to these points.

A study of the Leonard Field Swimming Pool was conducted by the Public Health Department of the State. Pollution of this Pool from the Metropolitan District Sewer and also pollution of the Aberjona River at certain points can only be corrected by the Metropolitan District Commission. Steps have been taken to bring this to the attention of the proper authorities.

Complaints received from the Cross Street Area about the dumping of certain tanning wastes were investigated and adjustments satisfactory to all concerned were made.

In closing the Board extends its thanks and appreciation to the staff for their splendid cooperation.

Respectfully submitted,

HARRY L. BENSON, M.D., Chairman
CHANDLER W. SYMMES

Report of the Public Works Council

December 31, 1953

During the past year, the Public Works Council met once each month to co-ordinate and facilitate the work program of the various town departments. Day by day co-ordination was effected by department superintendents. Specialized motor equipment and vehicles have been exchanged among departments throughout the year as work schedules required. Through the efforts of all concerned, equipment hire and the number of extra employees was kept to a minimum.

Common problems pertaining to personnel were discussed, with considerable assistance being rendered by the Personnel Board member.

Equipment requirements for 1954 have been approved, including items in the forthcoming annual departmental budgets.

Centralized purchasing remains under study by a special committee appointed by the Board of Selectmen. In keeping with the co-operative effort of the Council, information as to the accepted low bid prices of common materials has been distributed among the various departments by the Board of Selectmen.

This is the sixth annual report of the Public Works Council, and again it is to be noted that a very fine spirit of co-operation has been evident among all the departments.

Respectfully submitted,

JAMES J. COSTELLO

Town Accountant

In accordance with the provisions of Section 51, Chapter 41 of the General Laws, I have examined the accounts of the various Town Officers and Boards entrusted with the receipt, custody or expenditure of money. In each case I have found the records correct. I have during the year 1953 verified the cash balance and reconciled the bank balances of the Town Treasurer.

In accordance with the provisions of Section 53, Chapter 41 of the General Laws, I have during the year 1953 audited the accounts of the Commissioners of Trust Funds and of the Town Treasurer. The securities held by these trustees have been examined and found to be in proper order. The bank balances of these trustees have also been verified.

Respectfully submitted

JAMES J. COSTELLO

Town Accountant

TOWN OF WINCHESTER
